

Terrazas Export S.A.

The following companies remain subject to this administrative review: Olmue, VBM, Valles Andinos, Vitafoods, Arlavan and Valle Frio. As discussed in the *Background* section, above, we have deferred for one year an administrative review for 2005–2006 with respect to SANCO. We intend to issue our preliminary results in this administrative review for Olmue, VBM, Valles Andinos, Vitafoods, Arlavan, and Valle Frio by April 2, 2007.

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. For those companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of this notice.

Cash Deposit Rates

For the companies for which this review is rescinded, the cash deposit rate will continue to be 6.33 percent, the “all others” rate established in the less-than-fair-value investigation. See *Notice of Amended Final Determination of Sales at Less Than Fair Value: IQF Red Raspberries from Chile*, 67 FR 40270 (June 12, 2002).

These cash deposit requirements shall remain in effect until publication of the final results of this administrative review.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders (“APOs”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary

information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: December 6, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

search, and examine international patent applications under the provisions of the PCT. The USPTO is submitting this collection in support of a final rulemaking entitled “Changes to Facilitate Electronic Filing of Patent Correspondence” (RIN 0651–AB92), which will provide applicants with a new process for showing that national stage correspondence submitted electronically was actually received by the Office. A new petition to support this process is being added to this collection.
