SUPPLEMENTARY INFORMATION:

Background

On August 10, 2005, the President signed into law the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Pub. L. 109-59). Section 1404(h) of SAFETEA-LU mandates the establishment of the Task Force as follows: "The Secretary shall establish a national safe routes to school task force composed of leaders in health, transportation, and education, including representatives of appropriate Federal agencies, to study and develop a strategy for advancing safe routes to school programs nationwide."

To carry out this requirement, the FHWA published a notice of intent to form an advisory committee in the **Federal Register** on July 11, 2006 (71 FR 39138). This notice, consistent with the requirements of the Federal Advisory Committee Act (FACA), 5 U.S.C. App. II, announced the establishment of the Task Force and invited comments and nominations for membership.

We received a total of fifty-four (54) nominations submitted to the docket for the National SRST Task Force; forty-six (46) were nominated to serve on behalf of a specific organization and eight (8) nominations were for particular individuals. In selecting the members of the Task Force consistent with statutory direction, the FHWA attempted to achieve a balanced membership representing a broad cross-section of the diverse agencies, organizations, and individuals that are involved in Safe Routes to School activities and programs in the United States. Pursuant to congressional conference report language (SAFETEA-LU, Joint Explanatory Statement of the Committee of the Conference, House Report 109-203, p. 866-867 or you may visit <http://safety.fhwa.dot.gov/saferoutes/legislation.htm> to view an electronic copy of the conference report language), a broad range of agencies was selected consisting of "members [that are] representatives from State and local agencies as well as relevant non-profit organizations and associations including organizations or associations that represent automobile drivers."

Ms. Sharon Roerty is Director of Community Programs for the National Center for Bicycling and Walking and is located in Maplewood, NJ. Ms. Roerty will represent a national bicycle and pedestrian advocacy organization.

Ms. Donna Smallwood will serve as the Task Force Chair. Ms. Smallwood is the Operations Manager for MassRIDES

in Boston, MA and will represent a State Department of Transportation SRTS program.

Ms. Dale Ann Wright is an Officer for the West Valley City Police Department in West Valley City, UT and will represent local law enforcement agencies.

The agenda topics for this meeting will include (1) an overview of strategies that are already in place within the U.S. to advance SRTS programs; (2) an overview of national strategies that are used in other countries to advance SRTS programs; and (3) discussion of how best to advance SRTS programs nationwide.

The FHWA anticipates that the Task Force will meet three times in 2007.

Two meetings will be held in Washington, DC, and the remaining meeting may be held in a location outside of Washington, DC. The FHWA will publish notices in the **Federal Register** to announce the times, dates, and locations of these future meetings. Meetings of the Task Force are open to the public and time will be provided in each meeting's schedule for comments by members of the public. Attendance will be necessarily limited by the size of the meeting room. Members of the public may present oral or written comments at the meeting. Written materials should be sent to the FHWA Task Force support contractor, Toole Design Group, 4603 Calvert Road, College Park, MD 20740, attention Ms. Amy Elmquist, (301) 927-1900, srts@tooledesign.com, ten (10) days prior to the meeting. Nevada Pacific Railroad Corporation—Lease and Operation Exemption—Rail Lines of Pan Western Corporation

Nevada Pacific Railroad Corporation (NPRC),¹ a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to lease from Pan Western Corporation (Pan Western) and operate approximately 2.66 miles of private rail line owned by Pan Western, extending between milepost 0.0, and milepost 2.66, in Clark County, NV.² Pan Western

¹ The verified notice of exemption was originally filed under the name UP Nevada Railroad LLC. However, the Union Pacific Railroad Company objected to this name as a violation of its trademarks. Accordingly, by letters filed November 20, and November 22, 2006, counsel addressed issues relating to the identity and name of the Applicant in this proceeding and in the latter letter, requested that Nevada Pacific Railroad Corporation be substituted as the Applicant.

² This line was the subject of a notice of exemption that, according to the current verified notice, was never consummated. See *Tonopah & Tidewater Railroad Co.—Lease and Operation Exemption—Pan Western Corporation*, STB Finance Docket No. 34547 (STB served Sept. 30, 2004).

intends to lease the railroad line to NPRC so that NPRC may initiate and provide common carrier rail operations on and over the line.

NPRC certifies that its projected revenues as a result of the transaction will not exceed those that would qualify it as a Class III carrier or \$5 million annually. The transaction was scheduled to be consummated on or about November 21, 2006, the effective date of the exemption (7 days after the exemption was filed).

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34958, must be filed with the Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001.
