Highland Energy, Inc.; Notice of Issuance of Order

December 14, 2006.

Highland Energy, LLC (Highland) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed market-based rate tariff provides for the sale of energy, capacity and ancillary services at market-based rates. Highland also requested waivers of various Commission regulations. On December 14, 2006, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Highland's issuance of securities or assumptions of liability.
