practice is to make comments, including
names, home addresses, home phone
numbers, and e-mail addresses of
respondents, available for public
review. Individual respondents may
request that we withhold their names
and/or home addresses, etc., but if you
wish us to consider withholding this
information you must state this
prominently at the beginning of your
comments. In addition, you must
present a rationale for withholding this
information. This rationale must
demonstrate that disclosure would
constitute a clearly unwarranted
invasion of privacy. Unsupported
assertions will not meet this burden. In
