An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

### Animal and Plant Health Inspection Service

*Title:* Customer Service Survey Project.

*OMB Control Number:* 0579-NEW.

*Summary of Collection:* The Animal and Plant Health Inspection Service (APHIS) regulates, and provides services related to, the importation, interstate movement, and exportation of animals, animal products, and other articles to prevent the spread of pests and diseases of livestock. Veterinary Services (VS) is the unit that carries out these activities to protect animal health. VS plans to conduct a customer Service survey. VS needs to collect information which can be used to identify and correct shortcomings in the delivery of its services. The survey would be in the form of a short questionnaire that VS would present to individuals who use its services.

*Need And Use of The Information:* Data collected, analyzed, and interpreted concerning the Customer Service Survey will be used to evaluate and improve service delivery in area offices and import/export facilities. The information is to be used by Veterinary Services managers, and Supervisory Veterinary Medical Officers to revise programs and procedures and to request training for Veterinary Service employees who provide services to customers and stakeholders. If this data is not collected VS offices will lose a measurement tool for evaluating and improving services provided to the public.

*Description Of Respondents:* Farms; Individuals or households; Business or other for-profit.

*Number Of Respondents:* 5,000.

*Frequency Of Responses:* Reporting: On occasion.

*Total Burden Hours:* 415.
