**SUPPLEMENTARY INFORMATION:** The Office of Personnel Management (OPM) is issuing proposed regulations to revise the rules implementing 5 U.S.C. 5379, which allow agencies to offer student loan repayment benefits to current Federal employees or candidates for Federal jobs when necessary to recruit or retain highly qualified personnel. The primary purpose of this revision is to make part 537 more readable and usable. However, we also are proposing substantive changes based on experience to date to improve program administration in the agencies and promote alignment between this authority and related authorities that support recruitment and retention efforts. The following table lists, by specific regulatory section, the proposed substantive changes and provides a brief description of the purpose and/or effect of each change.
revise 5 CFR part 537 to read as follows:

E.O. 12866, Regulatory Review

This rule has been reviewed by the Office of Management and Budget in accordance with E.O. 12866.

Regulatory Flexibility Act

I certify that these regulations would not have a significant economic impact on a substantial number of small entities because they would apply only to Federal agencies and employees.

Accordingly, OPM is proposing to revise 5 CFR part 537 to read as follows:

PART 537—REPAYMENT OF STUDENT LOANS

Sec. 537.101 Purpose.
537.102 Definitions.
537.103 Agency student loan repayment plans.
537.104 Employee eligibility.
537.105 Criteria for payment.
537.106 Conditions and procedures for providing student loan repayment benefits.
537.107 Service agreements.
537.108 Loss of eligibility for student loan repayment programs.
537.109 Employee reimbursements to the Government.
537.110 Records and reports.

Authority: 5 U.S.C. 5379(g).

§ 537.102 Definitions.

Agency has the meaning given that term in subparagraphs (A) through (E) of 5 U.S.C. 4101(1).

Authorized agency official means the head of an Executive agency or an official who is authorized to act for the head of the agency in the matter concerned.

Employee means an employee of an agency who satisfies the definition of the term in 5 U.S.C. 2105.

Loan payment means the net payment made by an agency to the holder of a student loan (after deducting any tax withholdings that may be made from the
gross student loan repayment benefit credited to the employee).

Service agreement means a written agreement between an agency and an employee (or job candidate) under which the employee (or job candidate) agrees to a specified period of service in exchange for student loan repayment benefits, subject to the conditions set forth under this part.

Student loan means—
(1) A loan made, insured, or guaranteed under parts B, D or E of title IV of the Higher Education Act of 1965; or
(2) A health education assistance loan made or insured under part A of title VII of the Public Health Service Act or under part E of title VIII of that Act.

Student loan repayment benefit means the benefit provided to an employee under this part in which an agency repays (by a direct payment on behalf of the employee) a qualifying student loan previously taken out by such employee. The dollar value of this benefit is the gross amount credited to the employee at the time of a loan payment to the holder of the student loan, before deducting any employee tax withholdings from that gross amount as described in §537.106(a)(6)(iii). A student loan repayment benefit is not considered basic pay for any purpose.

Time-limited appointment means an appointment of temporary duration including—
(1) A temporary appointment under 5 CFR part 316, subpart D, or similar authority;
(2) A term appointment under 5 CFR part 316, subpart C, or similar authority;
(3) An overseas limited appointment with a time limitation under 5 CFR part 301, subpart B;
(4) A limited term or limited emergency appointment in the Senior Executive Service, as defined in 5 U.S.C. 3132(a), or an equivalent appointment made for similar purposes;
(5) A Veterans Recruitment Appointment under 5 CFR part 307;
(6) A Presidential Management Fellow appointment under 5 CFR 213.3102(ii) and 5 CFR 213.3102(jj);
(7) A Federal Career Intern appointment under 5 CFR 213.3202(o); and
(8) An appointment under the fellowship and similar programs authority at 5 CFR 213.3102(r).

§537.103 Agency student loan repayment plans.

Before providing student loan repayment benefits under this part, an agency must establish a student loan repayment plan. This plan must include the following elements:

(a) The designation of officials with authority to review and approve offering student loan repayment benefits (which may parallel the approval delegations used for other recruitment, relocation, and retention incentives);
(b) The situations in which the student loan repayment authority may be used;
(c) The criteria to meet or consider in authorizing student loan repayment benefits, including criteria for determining the size and timing of the loan payment(s);
(d) A system for selecting employees (or job candidates) to receive student loan repayment benefits that ensures fair and equitable treatment;
(e) The requirements associated with service agreements (including a basis for determining the length of service to be required if it is greater than the statutory minimum);
(f) The procedures for making loan payments;
(g) The provisions for recovering any amount outstanding from an employee who fails to satisfy a service agreement and conditions for waiving an employee’s obligation to reimburse the agency for payments made under this part; and
(h) Documentation and recordkeeping requirements sufficient to allow reconstruction of each action to approve a student loan repayment benefit.

§537.104 Employee eligibility.

(a) Subject to the conditions in 5 U.S.C. 5379 and this part, an authorized agency official may approve student loan repayment benefits to recruit a highly qualified job candidate or retain a highly qualified employee who, during the service period established under a service agreement (consistent with §537.107), will be serving under—
(1) An appointment other than a time-limited appointment; or
(2) A time-limited appointment if—
(i) The employee (or job candidate) will have at least 3 years remaining under the appointment after the beginning of the service period established under a service agreement; or
(ii) The time-limited appointment authority leads to conversion to another appointment of sufficient duration so that his or her employment with the agency is projected to last for at least 3 additional years after the beginning of the service period established under a service agreement.
(b) An employee occupying a position that is excepted from the competitive service because of its confidential, policy-determining, policy-making, or policy-advocating character is ineligible for student loan repayment benefits.

(c) An employee becomes ineligible for student loan repayment benefits under the conditions described in §537.108.

§537.105 Criteria for payment.

(a) General criteria. Before authorizing student loan repayment benefits for an employee (or job candidate), an agency must make a written determination that—
(1) The employee (or job candidate) is highly qualified and otherwise eligible (as described in §537.104); and
(2)(i) In a case where the authorization is granted to recruit a job candidate to fill an agency position, the agency otherwise would encounter difficulty in filling a position with a highly qualified individual; or
(ii) In a case where the authorization is granted to retain a current employee of the agency, the employee otherwise is likely to leave the agency for employment outside the Federal service and it is essential to retain the employee based on the employee’s high or unique qualifications or a special need of the agency.

(b) Retention considerations. In making a determination under paragraph (a)(2)(ii) of this section, an agency must consider the extent to which the employee’s departure would affect the agency’s ability to carry out an activity or perform a function that is deemed essential to its mission.

(c) Current Federal employees. An agency may not authorize student loan repayment benefits to recruit an individual from outside the agency who is currently employed in the Federal service.

(d) Selecting employees. When selecting employees (or job candidates) to receive student loan repayment benefits, agencies must ensure that benefits are awarded without regard to political affiliation, race, color, religion, national origin, sex, marital status, age, or handicapping condition.

§537.106 Conditions and procedures for providing student loan repayment benefits.

(a) General conditions. (1) Student loan repayment benefits may be provided at the discretion of the agency and are subject to such terms, limitations, or conditions as may be mutually agreed to in writing by the agency and the employee (or job candidate) as part of a service agreement under §537.107.
(2) The student loan to be repaid must be a qualifying student loan as set forth in paragraph (b) of this section.
(3) The agency must document in writing each approval of student loan repayment benefits. An authorized
agency official must review and approve each written determination. The written
determination must show the employee
(or job candidate) meets the criteria
specified in § 537.105.
(4) An authorized agency official must
approve student loan repayment
benefits in connection with a
recruitment action before the job
candidate actually enters on duty in the
position for which he or she was
recruited. The agency and the job
candidate may sign the service
agreement before the job candidate
begins serving in the position, but the
agency may not begin making loan
payments until the job candidate begins
serving in the position.
(5) Student loan repayment benefits
are in addition to basic pay and any
other form of compensation otherwise
payable to the employee involved.
(6) Appropriate tax withholdings
must be deducted or applied at the time
any payment is made. Since these tax
implications could create a financial
hardship for the recipient of the student
loan repayment benefit, agencies may
lesser the impact of tax withholdings on
an employee’s paycheck in one of the
following ways:
(i) Make smaller payments at periodic
intervals throughout the year, rather
than issue payments under this part in
one lump sum;
(ii) Allow the employee to write a
check to the agency to cover his or her
tax liability, rather than have the tax
liability withheld from the employee’s
paycheck;
(iii) Deduct the amount of taxes to be
withheld from the student loan
repayment benefit before the balance is
issued as a loan payment to the holder
of the loan.

Note to § 537.106(a)(6): Contact the
Internal Revenue Service for further details
concerning these options, as well as the tax
withholding implications of payments under this
part.
(b) Qualifying student loans. (1) The
agency may make loan payments only
for student loan debts that are
outstanding at the time the agency and
the employee (or job candidate) enter
into a service agreement. Before
authorizing loan payments, an agency
must verify with the holder of the loan
that the employee (or job candidate) has
an outstanding student loan that
qualifies for repayment under this part.
The agency must verify remaining
balances to ensure that loans are not
overpaid.
(2) The agency may repay more than
one loan if the employee’s student loan
repayment benefit does not exceed the
limits set forth in paragraph (c) of this
section.
(3) These regulations do not impose a
limit on the age of a student loan for
qualification purposes. The agency may,
however, specify in its agency plan that
only student loans made within a
certain timeframe are eligible for
repayment.
(c) Benefit amount. (1) In determining
the amount of student loan repayment
benefits to approve, an agency must
consider the employee’s (or job
candidate’s) value to the agency and
how far in advance the agency is
permitted to commit funds. If an agency
decided to make additional student loan
repayment benefits contingent on
budget levels or other factors, it must
address these contingent benefits in the
written service agreement as described in
§ 537.107(a).
(2) The amount of student loan
repayment benefits provided by an
agency is subject to both of the
following limits:
(i) $10,000 per employee per calendar
year; and
(ii) A total of $60,000 per employee.
(3) In applying the limits in paragraph
(c)(2) of this section, the agency must
count the full student loan repayment
benefit (i.e., before deducting any tax
withholdings as described in paragraph
(a)(6)(iii) of this section).
(d) Employee responsibility. Loan
payments made by an agency under this
part do not exempt an employee from
his or her responsibility and/or liability
for any loan(s) the individual has taken
out. The employee also is responsible
for any income tax obligations resulting
from the student loan repayment
benefit.
§ 537.107 Service agreements.
(a) Before an employing agency makes
any loan payments for an employee, the
employee (or job candidate) must sign a
written service agreement to complete a
specified period of service with the
agency and to reimburse the agency for the
student loan repayment benefit when required by § 537.109. The service
agreement also may specify any other
employment conditions the agency
considers to be appropriate, including the
employee’s (or job candidate’s)
position and the duties he or she is
expected to perform, his or her work
schedule, and his or her level of
performance. (See §§ 537.108 and
537.109.) The service agreement may
address the possibility that, during the
period the agreement is in effect, the
agency may modify the agreement to
provide student loan repayment benefits in addition to those fixed in the
agreement based on contingencies or
conditions specified in the agreement.
(b) The minimum period of service to
be established under a service
agreement is 3 years, regardless of the
amount of student loan repayment
benefits authorized. The agency and the
employee may mutually agree to modify
an existing service agreement, subject to
the limitations at § 537.106(c)(2), to
provide additional student loan
repayment benefits for additional
service without the need for an entirely
new service agreement (which would
require a new 3-year minimum service
period). Periods of leave without pay, or
other periods during which the
employee is not in a pay status, do not
count toward completion of the required
service period. Thus, the service
completion date must be extended by
the total amount of time spent in non-
pay status. However, as provided by 5
CFR 353.107, absence because of
uniformed service or compensable
injury is considered creditable toward
the required service period upon
reemployment.
(c) A service agreement made under
this part in no way constitutes a
promise of, or right or entitlement to,
appointment, continued employment, or
noncompetitive conversion to the
competitive service. This condition
should be stated in the service
agreement.
(d) The service period begins on the
date specified in the service agreement.
That beginning date may not be—
(1) Earlier than the date the service
agreement is signed;
(2) Earlier than the date the individual
begins serving in the position for which
he or she was recruited (when student
loan repayment benefits are approved to
recruit a job candidate to fill an agency
position).
(e) The service agreement must
contain a provision addressing whether
the individual would be required to
reimburse the paying agency for student
loan repayment benefits if he or she
voluntarily separates from the paying
agency to work for another agency
before the end of the service period.
(See § 537.109(b)(2).)
(f) The agency may include in a
service agreement specific conditions
(in addition to those required by law)
that trigger the loss of eligibility for
student loan repayment benefits and/or
a requirement that the employee
reimburse the agency for student loan
repayment benefits already received.
(See §§ 537.108(a)(3) and 537.109(a)(2).)
However, a service agreement may not
require reimbursement based on—
(1) An employee’s failure to maintain
performance at a particular level (unless
the employee is separated based on unacceptable performance; or
(2) An involuntary separation for reasons other than misconduct or unacceptable performance (e.g., an involuntary separation resulting from a reduction in force or medical reasons).

§ 537.108 Loss of eligibility for student loan repayment benefits.

(a) An employee receiving student loan repayment benefits from an agency is ineligible for continued benefits from that agency if the employee—
(1) Separates from the agency;
(2) Does not maintain an acceptable level of performance, as determined under standards and procedures prescribed by the agency; or
(3) Violates a condition in the service agreement, if the agreement specifically provides that eligibility is lost when the condition is violated.

(b) For the purpose of applying paragraph (a)(2) of this section, an acceptable level of performance is one that is equivalent to level 3 (‘‘Fully Successful’’ or equivalent) or higher, as described in 5 CFR 430.208(d).

An employee loses eligibility for student loan repayment benefits if his or her most recent official performance evaluation does not meet this requirement.

§ 537.109 Employee reimbursements to the Government.

(a) An employee is indebted to the Federal Government and must reimburse the paying agency for the amount of any student loan repayment benefits received under a service agreement if he or she—
(1) Fails to complete the period of service required in the applicable service agreement (except as provided by paragraph (b) of this section); or
(2) Violates any other condition that specifically triggers a reimbursement requirement under the agreement.

(b) An agency may not apply paragraph (a) of this section based on an employee’s failure to complete the required period of service established under a service agreement if—
(1) The employee is involuntarily separated for reasons other than misconduct or unacceptable performance; or
(2) The employee leaves the paying agency voluntarily to enter into the service of any other agency, unless reimbursement to the agency is otherwise required in the service agreement, as provided by § 537.107(e).

(c) If an agency and an employee mutually agree to modify an existing service agreement to provide additional student loan repayment benefits for additional service (as provided by § 537.107(b)), the modified service agreement may stipulate that, if the employee completes the initial service period but fails to complete the additional service period, he or she is required to reimburse the paying agency only for the amount of any student loan repayment benefits received during the additional service period.

(d) If an employee fails to reimburse the paying agency for the amount owed under paragraph (a) of this section, a sum equal to the amount outstanding is recoverable from the employee under the agency’s regulations for collection by offset from an indebted Government employee under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, or through the appropriate provisions governing Federal debt collection if the individual is no longer a Federal employee.

(e) An authorized agency official may waive, in whole or in part, a right of recovery of an employee’s debt if he or she determines that recovery would be against equity and good conscience or against the public interest. (See 5 U.S.C. 5379(c)(3).)

(f) Any amount reimbursed by, or recovered from, an employee under this section must be credited to the appropriation account from which the amount involved was originally paid. Any amount so credited must be merged with other sums in such account and must be available for the same purposes and time period, and subject to the same limitations (if any), as the sums with which merged. (See 5 U.S.C. 5379(c)(4).)

§ 537.110 Records and reports.

(a) Each agency must keep a record of each determination to provide student loan repayment benefits under this part and make such records available for review upon request by OPM. Such a record may be destroyed when 3 years have elapsed since the end of the required period of service established in the employee’s service agreement.

(b) By March 31st of each year, each agency must submit a written report to OPM containing information about student loan repayment benefits it provided to employees during the previous calendar year. Each report must include the following information:
(1) The number of employees who received student loan repayment benefits;
(2) The job classifications of the employees who received student loan repayment benefits; and
(3) The cost to the Federal Government of providing student loan repayment benefits.
