BILLING CODE 4830–01–P

VA plans to match records of veterans and surviving spouses and children who receive pension, and parents who receive DIC, with benefit records maintained by OPM. The match with OPM will provide VA with data from OPM civil service benefit records.

VA will provide OPM with a tape, which contains the names, VA claim numbers, social security numbers, verification codes and VA regional office identifiers for all individuals in receipt of income-dependent benefits. OPM will return a tape to VA, which contains information on OPM payment amounts and the surnames in OPM’s records that match the names and social security numbers provided by VA.

VA will use this information to update the master records of VA beneficiaries receiving income dependent benefits and to adjust VA benefit payments as prescribed by law. Otherwise, information about a VA beneficiary’s income is obtained only from reporting by the beneficiary. The proposed matching program will enable VA to ensure accurate reporting of income.

The match will start no sooner than 30 days after publication of this Notice in the Federal Register, or 40 days after copies of this Notice and the agreement of the parties is submitted to Congress and the Office of Management and Budget, whichever is later, and end not more than 18 months after the agreement is properly implemented by the parties. The involved agencies’ Data Integrity Boards (DIB) may extend this match for 12 months provided the agencies certify to their DIBs, within three months of the ending date of the original match, that the matching program will be conducted without change and that the matching program has been conducted in compliance with the original matching program.

This computer-matching program is subject to public comment and review by Congress and the Office of Management and Budget. In accordance with Title 5 U.S.C. subsection 552a(o)(2) and (r), copies of the agreement are being sent to both Houses of Congress and to the Office of Management and Budget.

This notice is provided in accordance with the provisions of the Privacy Act of 1974 as amended by Public Law 100–503.

Approved: December 19, 2006.

Gordon H. Mansfield,
Deputy Secretary of Veterans Affairs.
