### Administration for Children and Families

#### Family Violence Prevention and Services/Grants to State Domestic Violence Coalitions

*Program Office:* Administration on Children, Youth, and Families (ACYF), Family and Youth Services Bureau (FYSB)

*Program Announcement Number:* HHS-2007-ACF-ACYF-SDVC-0122

*Announcement Title:* Family Violence Prevention and Services/Grants to State Domestic Violence Coalitions

*CFDA Number:* 93.591

*Due Date for Applications:* February 15, 2007.

*Executive Summary:* This announcement governs the proposed award of formula grants under the Family Violence Prevention and Services Act (FVPSA) to private, non-profit State Domestic Violence Coalitions (Coalitions). The purpose of these grants is to assist in the conduct of activities to promote domestic violence intervention and prevention and to increase public awareness of domestic violence issues.

This notice for family violence prevention and services grants to Coalitions serves two purposes. The first is to confirm a Federal commitment to reducing domestic violence; and the second purpose is to urge States,

localities, cities, and the private sector to become involved in State and local planning towards an integrated service delivery approach.

### I. Description

*Legislative Authority:* Title III of the Child Abuse Amendments of 1984 (Public Law (Pub L.) 98-457, 42 United States Code (U.S.C.) 10401 et seq.) is entitled the "Family Violence Prevention and Services Act" (FVPSA). FVPSA was first implemented in Fiscal Year (FY) 1986. The statute was subsequently amended by Pub L. 100-294, the "Child Abuse Prevention, Adoptions, and Family Services Act of 1988;" further amended in 1992 by Pub L. 102-295; and then amended in 1994 by Pub L. 103-322, the "Violent Crime Control and Law Enforcement Act." FVPSA was amended again in 1996 by Pub L. 104-235, the "Child Abuse Prevention and Treatment Act (CAPTA) of 1996;" in 2000 by Pub L. 106-386, the "Victims of Trafficking and Violence Protection Act," and amended further by Pub L. 108-36, the "Keeping Children and Families Safe Act of 2003." FVPSA was most recently amended by Pub L. 109-162, the "Violence Against Women Reauthorization Act of 2005" and by Pub L. 109-271, which was enacted on August 17, 2006."

#### *Background*

Section 311 of FVPSA authorizes the U.S. Department of Health and Human Services (HHS) Secretary to award grants to statewide, private, non-profit Coalitions to conduct activities to promote domestic violence intervention and prevention and to increase public awareness of domestic violence issues.

#### *Annual State Domestic Violence Coalition Grantee Conference*

Coalitions should plan to send one or more representatives to the annual grantee conference. A subsequent Program Instruction and/or Information Memorandum will advise Coalition administrators of the date, time, and location of their grantee conference.

#### *Client Confidentiality*

FVPSA programs must establish or implement policies and protocols for maintaining the safety and confidentiality of the adult victims and their children of domestic violence, sexual assault, and stalking. It is essential that the confidentiality of individuals receiving FVPSA services be protected. Consequently, when providing statistical data on program activities and program services, individual identifiers of client records

will not be used (see Section 303(a)(2)(E)).

The confidentiality provisions described at 42 U.S.C., 13701, apply to programs funded under the Violence Against Women Act, as amended, including certain awards made under the Family Violence Prevention and Services Act. These confidentiality requirements were strengthened and clarified with the passage of the Violence Against Women Reauthorization Act of 2005, Pub L. 109-162, as recently amended by Pub L. 109-271. The revised confidentiality provisions impose conditions regarding the disclosure of personally identifying information, confidentiality, information sharing, and compulsory release of information.”

#### *Stop Family Violence Postal Stamp*

The U.S. Postal Service was directed by the “Stamp Out Domestic Violence Act of 2001” (the Act), Pub L. 107-62, to make available a “semipostal” stamp to provide funding for domestic violence programs. Funds raised in connection with sales of the stamp, less reasonable costs, have been transferred to HHS in accordance with the Act for support of services to children and youth affected by domestic violence.

As of FY 2006, \$2.3 million has been transferred and made available in support of grants for “Demonstration Programs for the Enhanced Services to Children and Youth Who Have Been Exposed to Domestic Violence.” Sixty-five (65) applications were received and reviewed in FY2005 and nine (9) successful applicants are in the second year of their projects. The project sites are in Castle Rock, CO; Harrisburg, PA; Oklahoma City, OK; Oakland, CA.; Albany, NY; Lansing, MI; Richmond, VA; and Washington, DC. ACF anticipates information on the progress and activities of the successful applicants and their programs in FY 2007.

#### *The Importance of Coordination of Services*

The impacts of domestic violence include physical injury and death of primary or secondary victims, psychological trauma, isolation from family and friends, harm to children witnessing or experiencing violence in homes in which the violence occurs, increased fear, reduced mobility and employability, homelessness, substance abuse, and a host of other health and related mental health consequences.

Coordination and collaboration among the police, prosecutors, the courts, victim services providers, child welfare and family preservation

services, and medical and mental health service providers is needed to provide more responsive and effective services to victims of domestic violence and their families. It is essential that all interested parties are involved in the design and improvements of intervention and prevention activities.

To help bring about a more effective response to the problem of domestic violence, HHS urges the designated Coalitions receiving funds under this grant announcement to continue to coordinate activities funded under this grant with other new and existing resources for the prevention of family and intimate violence and related issues.

#### *National Data Collection and Outcomes Measurement*

The need to accurately communicate reliable and appropriate data that capture the impact of domestic violence prevention and intervention efforts and to provide shelters, States, and Coalitions with tools for self-assessment continues as the Documenting our Work (DOW) Initiative. In collaboration with our partners at the State FVPSA programs, Coalitions, and experts on both data collection and domestic violence prevention issues, the effort to develop informative, succinct, and non-burdensome reporting formats continues. During FY 2006 and in concert with State FVPSA administrators, Coalitions and local service providers, four states have volunteered as pilot sites to assess proposed program reporting procedures and test the reliability of the outcome measures for FVPSA programs. Any recommended changes for information and reporting formats will be accompanied by specifically designated workshops or adjunctive discussions to regularly occurring meetings.

#### **II. Funds Available**

In FY 2007, HHS will make 10 percent of the amount appropriated under section 310(a)(1) of the FVPSA, which is not reserved under section 310(a)(2), available for grants to the State-designated, statewide, domestic violence Coalitions. One grant will be available for each of the Coalitions in the 50 States, the Commonwealth of Puerto Rico, and the District of Columbia. The Coalitions of the U.S. Territories (Guam, U.S. Virgin Islands, Northern Mariana Islands, American Samoa, and Trust Territory of the Pacific Islands) are also eligible for grant awards under this announcement.

#### *Expenditure Period*

FVPSA funds may be used for expenditures on or after October 1 of each fiscal year for which they are granted and will be available for expenditure through September 30 of the following fiscal year, i.e., FY 2007 funds may be used for expenditures from October 1, 2006, through September 30, 2008. Funds are available for obligation through September 30, 2008, and must be liquidated by September 30, 2009.

#### **III. Eligibility**

To be eligible for grants under this program announcement, an organization shall be designated as a statewide, private, non-profit domestic violence coalition meeting the following criteria:

(1) The membership of the Coalition includes representatives from a majority of the programs for victims of domestic violence operating within the State (a Coalition may include representatives of Indian Tribes and Tribal organizations as defined in the Indian Self-Determination and Education Assistance Act);

(2) The Board membership of the Coalition is representative of such programs;

(3) The purpose of the Coalition is to provide services, community education, and technical assistance to domestic violence programs in order to establish and maintain shelter and related services for victims of domestic violence and their children; and

(a) Has actively sought and encouraged the participation of law enforcement agencies and other legal or judicial entities in the preparation of the application; and

The applicant/grantee further agrees that it will require the language of this certification be included in any subawards which contain provisions for the children's services and that all subgrantees shall certify accordingly.

## Appendix C—Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW., Washington, DC 20201.

### **Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)**

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other

remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

### Certification Regarding Drug-Free Workplace Requirements

#### Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about—

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;
