

information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the end-of-course evaluation form used to evaluate all National Fire Academy traditional classroom training.

SUPPLEMENTARY INFORMATION: The National Fire Academy (NFA) is mandated under the Fire Prevention and Control Act of 1974 (Public Law 93-498) to provide training and education to the Nation's fire service and emergency service personnel. The state-of-the-art programs offered by the NFA serve as models of excellence and state and local fire service agencies rely heavily on the curriculum to train their

personnel. To maintain the quality of these training programs, it is critical that courses be evaluated to determine student satisfaction and reaction to the course materials, instructional delivery, and the training environment.

Collection of Information

Title: National Fire Academy End of Course Evaluation Form.

Type of Information Collection: Revision of a currently approved collection.

OMB Number: 1660-0032.

Form Numbers: FEMA Form 95-20, National Fire Academy End of Course Evaluation Form.

Abstract: The NFA End of Course Evaluation Form is used to evaluate all traditional classroom based course deliveries. The data provided by student evaluating NFA courses are used to determine the need for course improvements and the degree of student satisfaction with the training experience. All on-campus resident courses will use an online electronic form and all off-campus courses delivered at the state and local level will use a paper-based version of the form.

Affected Public: Individuals or households.

Estimated Total Annual Burden Hours: 3,500.

ANNUAL BURDEN HOURS

Project/activity (survey, form(s), focus group, worksheet, etc.)	Number of respondents (A)	Frequency of responses (B)	Burden hours per respondent (C)	Annual responses (D) = (A×B)	Total annual burden hours (E) = (C×D)
