## ENVIRONMENTAL PROTECTION AGENCY

[FRL-8271-1]

### Proposed CERCLA Administrative Order on Consent for the Bountiful 5 Points PCE Plume Site, Bountiful, Davis County, UT

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice and request for public comment.

**SUMMARY:** In accordance with the requirements of section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9622(I), notice is hereby given of a proposed Administrative Order on Consent ("AOC") settlement under sections 104, 106(a), 107, and 122 of CERCLA, 42 U.S.C. 9604, 9606(a), 9607, and 9622, between EPA and Your Valet Cleaners, Inc. ("Respondent") regarding Your Valet Cleaners' facility (the "Facility"). The property which is the subject of this proposed AOC is a parcel of land approximately 1/8 acre in size and is located at 1501 South Main Street in Bountiful, Davis County, Utah, defined by EPA as the Bountiful 5 Points PCE Plume Site ("Site"). This AOC settlement proposes to compromise a claim the United States has at this Site for Past and Future Response Costs, as those terms are defined in the AOC. Respondent is the owner of a parcel of land which has been impacted by business operations at the Facility and which lies within the

defined boundaries of the Site. Under the terms of the proposed AOC, Your Valet Cleaners, Inc. agrees to immediately pay \$10,000 to EPA in settlement of its liability for Past Response Costs incurred at the Site, use best efforts to recover (under relevant insurance policies) funds to reimburse additional Past Response Costs of \$46,031.93, and to pay Future Response Costs EPA incurs in overseeing the work. Respondent has agreed to perform under the AOC. In exchange, Respondent will be granted covenants not to sue under sections 106 and 107(a) of CERCLA, 42 U.S.C. 9606 and 9607(a), in regards to reimbursement of Past and Future Response Costs.

**Opportunity for Comment:** For thirty (30) days following the date of publication of this notice, the Agency will consider all comments received on the Payment of Response Costs portion of the Settlement only (Section XV) and may modify or withdraw its consent to that portion of the AOC, if comments received disclose facts or considerations which indicate that the settlement is inappropriate, improper, or inadequate. The Agency's response to any comments received will be available for public inspection at the EPA Superfund Record Center, 1595 Wynkoop Street, 2nd Floor, in Denver, Colorado.

**DATES:** Comments must be submitted on or before February 20, 2007.

**ADDRESSES:** The proposed settlement and additional background information relating to the settlement are available for public inspection at the EPA Superfund Records Center, 1595 Wynkoop Street, 2nd Floor, in Denver, Colorado. Comments and requests for a copy of the proposed settlement should be addressed to Carol Pokorny, Enforcement Specialist (8ENF-RC), Technical Enforcement Program, U.S. Environmental Protection Agency, 1595 Wynkoop Street, Denver, Colorado 80202-1129, and should reference the Your Valet Cleaners AOC for the Bountiful 5 Points PCE Plume Site in Bountiful, Davis County, Utah.

**FOR FURTHER INFORMATION CONTACT:** Carol Pokorny, Enforcement Specialist (8ENF-RC), Technical Enforcement Program, U.S. Environmental Protection Agency, 1595 Wynkoop Street, Denver, Colorado 80202-1129, (303) 312-6970.

Dated: January 10, 2007.

**Eddie A. Sierra,**

*Acting Assistant Regional Administrator, Office of Enforcement, Compliance and Environmental Justice, Region 8.*

## ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPPT-2006-1017; FRL-8111-5]

### Certain New Chemicals; Receipt and Status Information

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** Section 5 of the Toxic Substances Control Act (TSCA) requires any person who intends to manufacture (defined by statute to include import) a new chemical (i.e., a chemical not on the TSCA Inventory) to notify EPA and comply with the statutory provisions pertaining to the manufacture of new chemicals. Under sections 5(d)(2) and 5(d)(3) of TSCA, EPA is required to publish a notice of receipt of a premanufacture notice (PMN) or an application for a test marketing exemption (TME), and to publish periodic status reports on the chemicals under review and the receipt of notices of commencement to manufacture those chemicals. This status report, which covers the period from November 13, 2006 to December 8, 2006, consists of the PMNs and TMEs, both pending or expired, and the notices of commencement to manufacture a new chemical that the Agency has received under TSCA section 5 during this time period.

**DATES:** Comments identified by the specific PMN number or TME number, must be received on or before February 20, 2007.

**ADDRESSES:** Submit your comments, identified by docket identification (ID) no. EPA-HQ-OPPT-2006-1017, by one of the following methods.

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.
- *Mail:* Document Control Office (7407M), Office of Pollution Prevention and Toxics (OPPT), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001.
- *Hand Delivery:* OPPT Document Control Office (DCO, EPA East Bldg., Rm. 6428, 1201 Constitution Ave., NW., Washington, DC. Attention: Docket ID number EPA-HQ-OPPT-2006-1017. The DCO is open from 8 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The telephone number for the DCO is (202) 564-8930. Such deliveries are only accepted during the Docket's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

**Instructions:** Direct your comments to docket ID number EPA-HQ-OPPT-

2006–1017. EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through [regulations.gov](http://www.regulations.gov) or e-mail. The [regulations.gov](http://www.regulations.gov) website is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through [regulations.gov](http://www.regulations.gov) your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

**Docket:** All documents in the docket are listed in the docket's index available at <http://www.regulations.gov>. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available electronically at <http://www.regulations.gov>, or, if only available in hard copy, at the OPPT Docket. The OPPT Docket is located in the EPA Docket Center (EPA/DC) at Rm. 3334, EPA West Bldg., 1301 Constitution Ave., NW., Washington, DC. The EPA/DC Public Reading Room hours of operation are 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding Federal holidays. The telephone number of the EPA/DC Public Reading Room is (202) 566-1744, and the telephone number for the OPPT Docket is (202) 566-0280. Docket visitors are required to show photographic identification, pass through a metal detector, and sign the EPA visitor log. All visitor bags are processed through an X-ray machine and subject to search. Visitors will be

provided an EPA/DC badge that must be visible at all times in the building and returned upon departure.

**FOR FURTHER INFORMATION CONTACT:** Colby Lintner, Regulatory Coordinator, Environmental Assistance Division, Office of Pollution Prevention and Toxics (7408M), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460–0001; telephone number: (202) 554–1404; e-mail address: [TSCA-Hotline@epa.gov](mailto:TSCA-Hotline@epa.gov).

#### **SUPPLEMENTARY INFORMATION:**

##### **I. General Information**

###### *A. Does this Action Apply to Me?*

This action is directed to the public in general. As such, the Agency has not attempted to describe the specific entities that this action may apply to. Although others may be affected, this action applies directly to the submitter of the premanufacture notices addressed in the action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

###### *B. What Should I Consider as I Prepare My Comments for EPA?*

1. **Submitting CBI.** Do not submit this information to EPA through [regulations.gov](http://www.regulations.gov) or e-mail. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD ROM that you mail to EPA, mark the outside of the disk or CD ROM as CBI and then identify electronically within the disk or CD ROM the specific information that is claimed CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. **Tips for preparing your comments.** When submitting comments, remember to:

- i. Identify the document by docket number and other identifying information (subject heading, **Federal Register** date and page number).
- ii. Follow directions - The agency may ask you to respond to specific questions or organize comments by referencing a Code of Federal Regulations (CFR) part or section number.
- iii. Explain why you agree or disagree; suggest alternatives and substitute language for your requested changes.

iv. Describe any assumptions and provide any technical information and/or data that you used.

v. If you estimate potential costs or burdens, explain how you arrived at the estimate.

vi. Provide specific examples to illustrate your concerns, and suggested alternatives.

vii. Explain your views as clearly as possible, avoiding the use of profanity or personal threats.

viii. Make sure to submit your comments by the comment period deadline identified.

##### **II. Why is EPA Taking this Action?**

Section 5 of TSCA requires any person who intends to manufacture (defined by statute to include import) a new chemical (i.e., a chemical not on the TSCA Inventory to notify EPA and comply with the statutory provisions pertaining to the manufacture of new chemicals. Under sections 5(d)(2) and 5(d)(3) of TSCA, EPA is required to publish a notice of receipt of a PMN or an application for a TME and to publish periodic status reports on the chemicals under review and the receipt of notices of commencement to manufacture those chemicals. This status report, which covers the period from November 13, 2006 to December 8, 2006, consists of the PMNs and TMEs, both pending or expired, and the notices of commencement to manufacture a new chemical that the Agency has received under TSCA section 5 during this time period.

##### **III. Receipt and Status Report for PMNs and TMEs**

This status report identifies the PMNs and TMEs, both pending or expired, and the notices of commencement to manufacture a new chemical that the Agency has received under TSCA section 5 during this time period. If you are interested in information that is not included in the following tables, you may contact EPA as described in Unit II. to access additional non-CBI information that may be available.

In Table I of this unit, EPA provides the following information (to the extent that such information is not claimed as CBI) on the PMNs received by EPA during this period: the EPA case number assigned to the PMN; the date the PMN was received by EPA; the projected end date for EPA's review of the PMN; the submitting manufacturer; the potential uses identified by the manufacturer in the PMN; and the chemical identity.

## I. 41 PREMANUFACTURE NOTICES RECEIVED FROM: 11/13/06 TO 12/08/06

Case No.	Received Date	Projected Notice End Date	Manufacturer/Importer	Use	Chemical
P-07-0087	11/13/06	02/10/07	CBI	(G) Open, non-dispersive treatment	(G) Partially fluorinated condensation polymer
