

with the oldest short CNS position(s). Thus, the Buy-In Position will be automatically exited from CNS one day earlier than is currently the case and the buy-in process under MSRB rules can likewise commence one day earlier.

III. Discussion

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a registered clearing agency. In particular, the Commission believes the proposal is consistent with the requirements of Section 17A(b)(3)(F),⁴ which among other things, requires the rules of a clearing agency to promote the prompt and accurate clearance and settlement of securities transactions. By automating and accelerating the exiting of unsatisfied municipal securities Buy-In Positions, the new rule should expedite and make more efficient the processing of municipal securities buy-ins. As a result, the new rule should promote the prompt and accurate clearance and settlement of such securities transactions.

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act and in particular with the requirements of Section 17A of the Act⁵ and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁶ that the proposed rule change (File No. SR-NSCC-2006-12) be, and hereby is, approved.⁷

For the Commission by the Division of Market Regulation, pursuant to delegated authority.⁸

Florence E. Harmon,

Deputy Secretary.
