Filing Information

As a courtesy, we are making information related to Sunset proceedings, including copies of the Department’s regulations regarding Sunset Reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department’s schedule of Sunset Reviews, case history information (i.e., previous margins, duty absorption determinations, scope language, import volumes), and service lists available to the public on the Department’s sunset Internet Web site at the following address: <http://ia.ita.doc.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with the Department’s regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303.

Pursuant to 19 CFR 351.103(c), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding

contact the Department in writing within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order (“APO”) immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department’s regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required from Interested Parties

Domestic interested parties (defined in section 771(9) (C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these Sunset Reviews must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department’s regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day

deadline, the Department will automatically revoke the orders without further review. See 19 CFR 351.218(d)(1)(iii).

For sunset reviews of countervailing duty orders, parties wishing the Department to consider arguments that countervailable subsidy programs have been terminated must include with their substantive responses information and documentation addressing whether the changes to the program were (1) limited to an individual firm or firms and (2) effected by an official act of the government. Further, a party claiming program termination is expected to document that there are no residual benefits under the program and that substitute programs have not been introduced. Cf. 19 CFR 351.526 (b) and (d). If a party maintains that any of the subsidies countervailed by the Department were not conferred pursuant to a subsidy program, that party should nevertheless address the applicability of the factors set forth in 19 CFR 351.526 (b) and (d). Similarly, parties wishing the Department to consider whether a company’s change in ownership has extinguished the benefit from prior non-recurring, allocable, subsidies must include with their substantive responses information
