Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 5, 2007.

SUMMARY: On December 28, 2006, the Department of Commerce ("the Department") received a request from QHD Sanhai Honey Co., Ltd. ("QHD Sanhai") to conduct a new shipper review of the antidumping duty order on honey from the People's Republic of China ("PRC"). We have determined that this request meets the statutory and regulatory requirements for the initiation of a new shipper review.

FOR FURTHER INFORMATION CONTACT: Scot Fullerton or Christopher Riker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of

Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1386 or (202) 482-3441, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department received a timely request from QHD Sanhai in accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended ("the Act") and 19 CFR 351.214 (c), for a new shipper review of the antidumping duty order on honey from the PRC, which has a December anniversary month. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Honey from the People's Republic of China*, 66 FR 63670 (December 10, 2001). QHD Sanhai identified itself as a producer and exporter of honey. As required by 19 CFR 351.214(b)(2)(i) and (iii)(A), QHD Sanhai certified that it did not export honey to the United States during the period of investigation ("POI"), and that it has never been affiliated with any exporter or producer which exported honey to the United States during the POI. Furthermore, the company also certified that its export activities are not controlled by the government of the PRC, satisfying the requirements of 19 CFR 351.214(b)(2)(iii)(B).

Pursuant to 19 CFR 351.214(b)(2)(iv), QHD Sanhai submitted documentation establishing the date on which the subject merchandise was first entered for consumption in the United States, the volume of that first shipment and any subsequent shipments, and the date of the first sale to an unaffiliated customer in the United States.

The Department conducted Customs database queries and analyzed Customs entry packages to confirm that the shipments made by QHD Sanhai had officially entered the United States via assignment of an entry date in the Customs database by U.S. Customs and Border Protection ("CBP"). In addition, the Department confirmed the existence of QHD Sanhai and its U.S. customer.

Initiation of Review

In accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), and based on information on the record, we are initiating a new shipper review for QHD Sanhai. See Memorandum to the File through James C. Doyle, Director, AD/CVD Operations, Office 9, Import Administration, from Scot Fullerton, Senior Case Analyst, AD/CVD Operations, Office 9, Import Administration, regarding *Initiation of Antidumping Duty New Shipper Review: Honey from the People's Republic of*
