SUPPLEMENTARY INFORMATION: The scheduled meetings will be open to the public. Each scheduled meeting will result in decisions and steps that advance the Wekiva River System Advisory Management Committee towards its objective of developing a comprehensive General Management Plan for the Wekiva Wild and Scenic River. Any member of the public may file with the Committee a written statement concerning any issues relating to the development of the General Management Plan for the Wekiva Wild and Scenic River. The statement should be addressed to the Wekiva River System Advisory Management Committee, National Park Service, 15 State Street, Boston, MA 02109.

The Wekiva River System Advisory Management Committee was established by Public Law 106-299 to assist in the development of the comprehensive management plan for the Wekiva River System and provide advice to the Secretary in carrying out management responsibilities of the Secretary under the Wild and Scenic River Act (16 U.S.C. 1274). Efforts have been made locally to ensure that the interested public is aware of the meeting dates. However, due to unanticipated technical problems, the National Park Service was unable to publish this **Federal Register** notice more than 15 days in advance of the February 7 meeting. Rescheduling the meeting would create an unnecessary burden for members of the public who have already arranged their schedules around that date.
