Kinder Morgan Louisiana Pipeline, L.L.C.; Notice of Public Meetings To Receive Comments on the Draft Environmental Impact Statement for the Proposed Kinder Morgan Louisiana Pipeline Project

February 2, 2007.

On January 26, 2007, the staff of the Federal Energy Regulatory Commission issued a draft Environmental Impact Statement (EIS) for the proposed Kinder Morgan Louisiana Pipeline Project. We will hold two public meetings to receive comments on the draft EIS.

The public meetings are designed to provide an opportunity for landowners, concerned citizens, and other stakeholders to offer comments on the draft EIS and environmental issues they believe should be addressed in the final EIS. To ensure that every comment is accurately recorded, a court reporter will be present to prepare an official transcript of each meeting. All interested parties are invited to attend the following public comment meetings:

Monday, February 26th: 6:30–9:30 p.m.,
Best Western Richmond Suites, Jean Lafitte Rooms I and II, 2600 Moeling Street, Lake Charles, LA.

Tuesday, February 27th: 6:30–9:30 p.m.,
Holiday Inn, 603 Holiday Drive,
Jennings, LA.

For additional information, contact the Commission's Office of External Affairs at 1-866-208-FERC (3372).

Notice of Application Accepted for Filing and Soliciting Motions to Intervene, Protests, and Comments

February 2, 2007.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection:

a. *Type of Application:* Preliminary Permit.

b. *Project No.:* 12768-000.

c. *Date filed:* January 11, 2007.

d. *Applicant Contact:* Rochester Gas and Electric Corporation.

e. *Name and Location of Project:* The proposed Station No. 2, Unit 2 Project would be located at the site of the existing Station No. 2 Hydroelectric Project (FERC No. 2582) on the Genesee River in the City of Rochester, Monroe County, New York and would provide additional capacity at that site.

f. *Filed Pursuant to:* Federal Power Act, 16 U.S.C. 791(a)-825(r).

g. *Applicant Contact:* Mr. Thomas W. McCollach, Rochester Gas and Electric Corporation, 89 East Avenue, Rochester, NY 14649, (585) 724-8085.

h. *FERC Contact:* Tom Papsidero, (202) 502-6002.

i. *Deadline for filing motions to intervene, protests and comments:* 60 days from the issuance date of this notice.

All documents (original and eight copies) should be filed with Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings. Please include the project number (P-12768-000) on any comments or motions filed.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

j. *Description of Proposed Project:* The proposed project would be located at

the site of the licensed Station No. 2 Hydroelectric Project and would have the following new facilities: (1) A proposed 235-foot-long, 13-foot-diameter penstock which would include a low-level bifurcation to provide flow to the proposed powerhouse, (2) a proposed powerhouse containing one generating unit with an installed capacity of 6.0 megawatts, (3) a proposed one-mile-long transmission line which would connect to an existing power line; and (4) appurtenant facilities. The project would have an annual generation of 25 gigawatt-hours, which would be sold to a local utility.

k. *Location of Applications:* A copy of the application is available for inspection and reproduction at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, call toll-free 1-866-208-3676 or e-mail FERCOnlineSupport@ferc.gov. For TTY, call (202) 502-8659. A copy is also available for inspection and reproduction at the address in item g above.

l. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

m. *Competing Preliminary Permit:* Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

n. *Competing Development Application:* Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular

application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

o. *Notice of Intent*: A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

p. *Proposed Scope of Studies under Permit*: A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

q. *Comments, Protests, or Motions to Intervene*: Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper; See 18 CFR 385.2001 (a)(1)(iii) and the instructions on the Commission's Web site under "e-filing" link. The Commission strongly encourages electronic filing.

r. *Filing and Service of Responsive Documents*: Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", or "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE.,

Washington, DC 20426. An additional copy must be sent to Director, Division of Hydropower Administration and Compliance, Federal Energy Regulatory Commission, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

s. *Agency Comments*: Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.
