

frequency, and certification.¹ This information collection is necessary to enable a Bank to determine if a respondent satisfies the statutory and regulatory requirements to be certified initially and maintain its status as a member eligible to obtain Bank advances. The Finance Board requires and uses the information collection to determine whether to uphold or overrule a Bank's decision to deny member certification to an applicant.

The OMB control number for the information collection is 3069-0004, which is due to expire on May 31, 2007. The likely respondents are institutions that want to be certified as or are members of a Bank.

B. Burden Estimate

The Finance Board estimates the total annual average number of applicants at 300, with 1 response per applicant. The estimate for the average hours per application is 21.5 hours. The estimate for the annual hour burden for applicants is 6,450 hours (300 applicants × 1 response per applicant × 21.5 hours per response).

The Finance Board estimates the total annual average number of maintenance respondents, i.e., current Bank members, at 8,100, with 1 response per member. The estimate for the average hours per maintenance response is 0.6 hours. The estimate for the annual hour burden for Bank members is 4,860 hours (8,100 members × 1 response per member × 0.6 hours per response). The estimate for the total annual hour burden for all respondents is 11,310 hours.

C. Comment Request

The Finance Board requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of Finance Board functions, including whether the information has practical utility; (2) the accuracy of the Finance Board's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
