Titus to show cause why his authorization for Amateur Radio Station KB7ILD should not be revoked, upon the following issues: (a) To determine the effect of David L. Titus' felony conviction(s) on his qualifications to be and to remain a Commission licensee; and (b) to determine, in light of the evidence adduced pursuant to the foregoing issue, whether David L. Titus is qualified to be and to remain a Commission licensee; and (c) to determine, in light of the evidence adduced pursuant to the foregoing issues, whether the license of David L. Titus for Amateur Radio Station KB7ILD should be revoked. The hearing will be held at a time and place to be specified in a subsequent order. Copies of the Order to Show Cause are being sent to David L. Titus via Certified Mail, Return Receipt Requested, and by regular United States mail.

To avail himself of the opportunity to be heard, David L. Titus, in person or by his attorney, is directed by the Order to Show Cause, pursuant to 47 CFR 1.91(c), to file with the Commission, by March 1, 2007, a written appearance stating that he will appear on the date fixed for hearing and present evidence on the issues specified herein.

SUPPLEMENTARY INFORMATION:

A. Need for and Use of the Information Collection

Section 4 of the Federal Home Loan Bank Act (Bank Act) establishes the eligibility requirements an institution must meet in order to become a member of a Federal Home Loan Bank (Bank). See 12 U.S.C. 1424. Part 925 of the Finance Board regulations—the membership rule—implements section 4 of the Bank Act. See 12 CFR part 925. The membership rule provides uniform requirements an applicant for Bank membership must meet and review criteria a Bank must apply to determine if an applicant satisfies the statutory and regulatory membership eligibility requirements.

More specifically, the membership rule implements the statutory eligibility requirements and provides guidance to an applicant on how it may satisfy such requirements. The rule authorizes a Bank to approve or deny each membership application subject to the statutory and regulatory requirements and permits an applicant to appeal to the Finance Board a Bank's decision to deny certification as a Bank member. The rule also imposes a continuing obligation on a current Bank member to provide information necessary to determine if it remains in compliance with applicable statutory and regulatory eligibility requirements.

The information collection is contained in sections 925.2 through 925.31 of the membership rule, 12 CFR 925.2-925.31, and chapter 2 of the Data Reporting Manual, which contains instructions addressing data definitions as well as requirements concerning data elements, reporting format, reporting method (e.g., electronic or paper), record retention, timeliness, reporting

frequency, and certification.¹ This information collection is necessary to enable a Bank to determine if a respondent satisfies the statutory and regulatory requirements to be certified initially and maintain its status as a member eligible to obtain Bank advances. The Finance Board requires and uses the information collection to determine whether to uphold or overrule a Bank's decision to deny member certification to an applicant.

The OMB control number for the information collection is 3069-0004, which is due to expire on May 31, 2007. The likely respondents are institutions that want to be certified as or are members of a Bank.

B. Burden Estimate

The Finance Board estimates the total annual average number of applicants at 300, with 1 response per applicant. The estimate for the average hours per application is 21.5 hours. The estimate for the annual hour burden for applicants is 6,450 hours (300 applicants × 1 response per applicant × 21.5 hours per response).

The Finance Board estimates the total annual average number of maintenance respondents, i.e., current Bank members, at 8,100, with 1 response per member. The estimate for the average hours per maintenance response is 0.6 hours. The estimate for the annual hour burden for Bank members is 4,860 hours (8,100 members × 1 response per member × 0.6 hours per response). The estimate for the total annual hour burden for all respondents is 11,310 hours.

C. Comment Request

The Finance Board requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of Finance Board functions, including whether the information has practical utility; (2) the accuracy of the Finance Board's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Dated: February 9, 2007.
