SUPPLEMENTARY INFORMATION:

I. Background

The VETS/USERRA/VP Form 1010 is used to file complaints with the Department of Labor's Veterans' Employment and Training Service (VETS) under either the Uniformed Services Employment and Reemployment Rights Act (USERRA) or laws/regulations related to veterans' preference (VP) in Federal employment. The purpose of the VETS/USERRA/VP Form information collection

requirement include: to protect and facilitate the prompt reemployment of members of the uniformed services (to include National Guard and Reserves); to minimize disruption to the lives of persons who perform service in the uniformed services and their employers; and to encourage individuals to participate in non-career uniformed service. Also, to prohibit discrimination in employment and acts of reprisal against persons because of their obligations in the uniformed services, prior service, intention to join the uniformed services, filing of a USERRA claim, seeking assistance concerning an alleged violation, testifying in a proceeding, or otherwise assisting in an investigation.

The purposes of Veterans' Preference laws and regulations and this information collection requirement include: to provide preference for certain veterans (preference eligibles) over others in Federal hiring from competitive lists of applicants; and to provide preference eligibles with preference over others in retention during reductions in force in Federal agencies.

Two new questions are included in the VETS/USERRA/VP 1010 Form that does not impact the burden hours to complete the form. The form now asks for an e-mail address (question #6), and a (yes or no question #17) that states "Was the Employer Support of the Guard and Reserve (ESGR) involved in handling your claim initially?"
