

Applicant: Ana E. Hiott, Norman, Oklahoma, TE140941-0

The applicant requests authorization to take (capture, release, translocate) the American burying beetle (*Nicrophorus americanus*) while conducting presence/absence surveys and relocation activities. The activities would occur throughout the species range in Arkansas and Oklahoma.

Applicant: Big Cypress National Preserve, Deborah Kay Jansen, Ochopee, Florida, TE141818-0

The applicant requests authorization to take (capture, release, transport, chemically immobilize, hold temporarily, radio collar, take tissue and blood samples, provide medical treatment, release) the Florida panther (*Puma concolor coryi*) while maintaining a healthy panther population, assessing the habitat potential to support panthers, monitoring the effects of the genetic restoration project, and making sound management decisions regarding the increasing recreational demands on the resources as well as the proposed restoration projects affecting the Big Cypress National Preserve. The proposed activities would occur on the Big Cypress National Preserve, Collier, Dade, and Monroe Counties, Florida.

Dated: December 19, 2006.

Cynthia Dohner,

Acting Regional Director.
