

Background

On January 22, 2007, HUD published in the **Federal Register** (72 FR 2732) final guidance to help recipients of federal financial assistance take reasonable steps to meet their regulatory and statutory obligations to ensure that LEP persons have meaningful access to LEP programs and activities. Under Title VI of the Civil Rights Act of 1964 (Title VI) and its implementing regulations, recipients of federal financial assistance have a responsibility to ensure meaningful access to programs and activities by LEP persons.

The January 22, 2007, LEP Final Guidance was preceded by proposed guidance published on December 19, 2003 (68 FR 70968) for which HUD solicited public comment. The LEP Final Guidance takes into consideration the public comments received on the December 19, 2003, proposed guidance. There are no significant changes between the proposed guidance and the final guidance. However, for purposes of clarification, several minor changes were made in Appendix A, and a new Appendix B has been added to the Guidance. Appendix B, "Questions and Answers (Q&A)," responds to frequently asked questions (FAQs) related to providing meaningful access to LEP persons. HUD's LEP Final Guidance can be found at <http://www.hud.gov/offices/fheo/promotingfh/lep.cfm>.
