SUPPLEMENTARY INFORMATION:**I. Notice of Appeal**

BIA and the Tribe have jointly filed a notice of appeal with the Secretary of Commerce pursuant to the Coastal Zone Management Act of 1972 (CZMA), 16 U.S.C. 1451 *et seq.*, and implementing regulations found at 15 CFR part 930, subpart H. BIA and the Tribe appeal an objection, filed by the Commission, to a consistency determination prepared by

BIA related to the proposed acquisition by BIA of approximately 5 acres of land in Humboldt County, California, into trust status for the Tribe for future planned tribal housing development.

The Appellants request that the Secretary override the State's objection on grounds that the project is consistent with the objectives or purposes of the CZMA. To make the determination that the proposed activity is "consistent with the objectives or purposes" of the CZMA, the Secretary must find that: (1) The proposed activity furthers the national interest as articulated in sections 302 or 303 of the CZMA, in a significant or substantial manner; (2) the adverse effects of the proposed activity do not outweigh its contribution to the national interest, when those effects are considered separately or cumulatively; and (3) no reasonable alternative is available that would permit the activity to be conducted in a manner consistent with enforceable policies of California's coastal management program. 15 CFR 930.121 (2005), *as amended*, 71 FR 787, 831 (Jan. 5, 2006).
