Nectarines and Peaches Grown in California; Order Amending Marketing Order Nos. 916 and 917; Correction

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Correcting amendment.

SUMMARY: The Agricultural Marketing Service published a final rule in the *Federal Register* on July 21, 2006 (71 FR 41345). The document implemented amendments to the California nectarine and peach marketing orders. Implementation of the amendments required either lifting or suspending certain language in the orders. However, two of those actions were omitted in the final rule's amendatory instructions. This document correctly identifies which suspension should be lifted and which suspension should be made. In addition, this document corrects a reference to committee size.

DATES: Effective on February 21, 2007.
