a. *Electronic Submission of Applications.*

To comply with the President's Management Agenda, we are participating as a partner in the Government-wide Grants.gov Apply site. The Foundations for Learning Grants Program, CFDA Number 84.215H, is included in this project. We request your participation in Grants.gov.

If you choose to submit your application electronically, you must use the Government-wide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

You may access the electronic grant application for the Foundations for Learning Grants Program at <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.215, not 84.215H). Please note the following:

- Your participation in Grants.gov is voluntary.
- When you enter the Grants.gov site, you will find information about

submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov. You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) Registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to

update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you submit your application in paper format.

- If you submit your application electronically, you must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- If you submit your application electronically, you must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department). The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with

the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the application deadline date, please contact the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

ACTION: Notice of Public Meeting.

DATE & TIME: Wednesday, February 21, 2007, 8 a.m.–8:30 a.m.

PLACE: Ritz-Carlton Atlanta, 191 Peachtree Street, NE., Ballroom Pre-Function III/IV, Atlanta, Georgia 30303, (404) 659-0400.

AGENDA: The Commission will consider accrediting iBeta Quality Assurance and SysTest Labs LLC. to receive federal approval to test voting systems against federal voting system standards and guidelines based upon the recommendations of the National Institute of Standards and Technology (NIST) as required by the Help America Vote Act (HAVA).

This meeting will be open to the public.

STATEMENT OF EXCEPTION

CIRCUMSTANCES: This notice of a meeting will not be published in the **Federal Register** 7 days prior to the meeting date. Late notice was unavoidable due to the combination of two factors: (1) The time required for EAC to properly

evaluate the January 18, 2007 recommendations EAC received from NIST to federally accredit two voting system test laboratories and (2) to serve the public interest by having the two federally accredited labs in place immediately in order to begin testing voting systems against federal voting system standards and guidelines. With the 2008 elections schedule fast approaching, it is most critical that the federal voting system testing process begin at the earliest possible date.

BILLING CODE 6820-KF-M

DEPARTMENT OF ENERGY

Record of Decision and Floodplain Statement of Findings: Site Selection for the Expansion of the Strategic Petroleum Reserve

AGENCY: Office of Fossil Energy, U.S. Department of Energy (DOE).

ACTION: Record of Decision (ROD).

SUMMARY: DOE has prepared an environmental impact statement (EIS) (DOE/EIS-0385), pursuant to the National Environmental Policy Act of 1969 (NEPA), to assess the environmental impacts associated with a proposal to expand the crude oil storage capacity of the Strategic Petroleum Reserve (SPR) from 727 million barrels (MMB) to 1 billion barrels, and to fill the Reserve to the full authorized volume of 1 billion barrels. The proposal was to develop one new storage facility and expand the capacity of two or three existing SPR storage facilities.

After careful consideration of the environmental impacts of the alternatives, along with an evaluation of SPR distribution capabilities, geological technical assessments, projected costs, and operational impacts associated with existing commercial operations, DOE has decided to develop a new 160 MMB SPR storage facility at Richton (Mississippi), expand the storage capacity at the existing Bayou Choctaw (Louisiana) SPR facility by 33 MMB, expand the storage capacity at the existing Big Hill (Texas) SPR facility by 80 MMB, and fill the Reserve to 1 billion barrels of oil as authorized by Congress.

This ROD has been prepared in accordance with the regulations of the Council on Environmental Quality (40 CFR Parts 1500-1508) for implementing NEPA and DOE's NEPA Implementing Procedures (10 CFR Part 1021). The accompanying Floodplain Statement of Findings has been prepared in accordance with DOE's regulations "Compliance with Floodplain and Wetland Environmental Review Requirements" (10 CFR Part 1022). Because the decision differs somewhat from the alternatives evaluated in the EIS, DOE has prepared a Supplemental Analysis (SA) (DOE/EIS-0385-SA-1) to determine whether a supplement to the final EIS is required. DOE has determined that the minor modification to the Bayou Choctaw expansion site, i.e., an increase in capacity of 33 MMB compared to 20 MMB as described in the final EIS, is not a substantial change to the proposed action that is relevant to environmental concerns, and there are no significant new circumstances or information relevant to environmental concerns and bearing on the proposed action or its impacts, within the meaning of 40 CFR 1502.9(c)(1) and 10 CFR 1021.314(c). Therefore, a supplement to the SPR final EIS is not needed.

ADDRESSES: The final EIS is available on the DOE NEPA Web site at <http://www.eh.doe.gov/nepa/documentspub.html> and on the project's Web site at <http://www.fossil.energy.gov/programs/reserves/spr/expansion-eis.html>, and the ROD and SA will be available on both Web sites in the near future. Copies of the final EIS and this ROD and SA may be requested by contacting Donald Silawsky at the Office of Petroleum Reserves (FE-47), U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585, by telephone at 202-586-1892, by facsimile at 202-586-4446, or by electronic mail at donald.silawsky@hq.doe.gov.

FOR FURTHER INFORMATION CONTACT: For further information on the site selection for the expansion of the Strategic Petroleum Reserve, contact David Johnson at the Office of Petroleum Reserves (FE-42), U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585, by telephone at 202-586-4733, by facsimile at 202-586-7919, or by electronic mail at david.johnson@hq.doe.gov.
