

- determination of suitability of the site for inclusion within the national park system in comparison to other protected sites with similar resources or themes

- determination of feasibility for the NPS to own, manage or participate in conservation and interpretation in the study area

- need for NPS management measured against other alternatives

This SRS examined the resources in the existing Great Falls Historic District, which preserves the history of the beginnings of manufacturing and labor in the United States. All of the elements of the site are located within the City of Paterson, County of Passaic, in New Jersey, adjacent to the Passaic River. Determination of the need for NPS management is the final criterion for evaluating resources for potential designation as a unit in the national park system. The study concluded that the site is determined neither suitable nor feasible for potential designation as a unit of the national park system. As a result, there is no need for NPS management and no further Federal action. Therefore, the EIS process has been terminated.

**DATES:** The Great Falls Historic District Special Resource Study was made available for public review at: <http://parkplanning.nps.gov/> or: <http://www.nps.gov/nero/greatfalls/> starting November 27, 2006.

**ADDRESSES:** The document was also made available for public review at the Danforth (Main) Public Library, 250 Broadway, Paterson, New Jersey.

**FOR FURTHER INFORMATION CONTACT:** Peter Samuel, Project Planner, National Park Service, Northeast Region, 200 Chestnut Street, 3rd Floor, Philadelphia, PA 19106.

**SUPPLEMENTARY INFORMATION:** Not applicable.

Dated: December 15, 2006.

**Chrysendra L. Walter,**

*Acting Director, Northeast Region, National Park Service.*

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-487 (Remand)]

### In the Matter of Certain Agricultural Vehicles and Components Thereof; Notice of Commission Decision To Review in Part the Administrative Law Judge's Initial Determination on Remand; Schedule for Written Submissions on the Issues Under Review

**AGENCY:** U.S. International Trade  
Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that  
the U.S. International Trade  
Commission has determined to review  
in part the presiding administrative law  
judge's ("ALJ") final initial  
determination on remand in the above-  
captioned investigation, including part  
of Order No. 55.

**FOR FURTHER INFORMATION CONTACT:**

Jonathan Engler, Office of the General  
Counsel, U.S. International Trade  
Commission, 500 E Street, SW.,  
Washington, DC 20436, telephone (202)  
205-3112. Copies of non-confidential  
documents filed in connection with this  
investigation are or will be available for  
inspection during official business  
hours (8:45 a.m. to 5:15 p.m.) in the  
Office of the Secretary, U.S.  
International Trade Commission, 500 E  
Street, SW., Washington, DC 20436,  
telephone (202) 205-2000. General  
information concerning the Commission  
may also be obtained by accessing its  
Internet server at <http://www.usitc.gov>.  
The public record for this investigation  
may be viewed on the Commission's  
electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired  
persons are advised that information on  
this matter can be obtained by  
contacting the Commission's TDD  
terminal on (202) 205-1810.

**SUPPLEMENTARY INFORMATION:** The  
Commission instituted this investigation  
on February 13, 2003, based on a  
complaint filed by Deere & Company  
("Deere") of Moline, Illinois. 68 FR 7388  
(February 13, 2003). The complaint, as  
supplemented, alleged violations of  
section 337 of the Tariff Act of 1930 in  
the importation into the United States,  
sale for importation, and sale within the  
United States after importation of  
certain agricultural vehicles and  
components thereof by reason of  
infringement and dilution of U.S.  
Registered Trademarks Nos. 1,254,339;  
1,502,576; 1,503,576, and 91,860.

Twenty-four respondents were named  
in the Commission's notice of

investigation. Most of the respondents  
were terminated from the investigation  
on the basis of consent orders, or found  
in default. Of the remaining  
respondents, Erntetechnik Franz Becker;  
Sunova Implement Company; Bourdeau  
Bros., Inc. and OK Enterprises  
(collectively, "the Bourdeau  
respondents"); Fitzpatrick Farms;  
Stanley Farms; J&T Farms; and Co-Ag  
LLC (collectively, "the Fitzpatrick  
Farms respondents"); and Agrideal  
participated in the investigation. On  
January 13, 2004, the ALJ issued his  
final initial determination ("ID") finding  
a violation of section 337. He also  
recommended the issuance of remedial  
orders. The Bourdeau respondents and  
Fitzpatrick Farms respondents  
petitioned for review of the ID.

On March 30, 2004, the Commission  
determined not to review the ID. The  
Commission then issued its final  
determination, together with a general  
exclusion order, two limited exclusion  
orders, and cease and desist orders, on  
May 14, 2004.

The Bourdeau respondents appealed  
the Commission's final determination to  
the U.S. Court of Appeals for the  
Federal Circuit (the "Federal Circuit").  
On March 30, 2006, the Federal Circuit  
vacated and remanded the  
Commission's final determination as it  
related to Deere European-version self-  
propelled forage harvesters. *Bourdeau  
Bros. v. International Trade  
Commission*, 444 F.3d 1317 (Fed. Cir.  
2006).

On June 20, 2006, the Commission  
issued notice that it had rescinded the  
general exclusion order and certain  
cease and desist orders, and had  
remanded the investigation to the  
presiding ALJ for proceedings consistent  
with the Federal Circuit's decision in  
Bourdeau. The ALJ issued his final ID  
on remand ("Remand ID") on December  
20, 2006. He found that Deere did not  
authorize the sale of Deere European-  
version self-propelled forage harvesters  
in the United States and that all or  
substantially all of the Deere self-  
propelled forage harvesters sold in the  
United States were North American  
versions. The Bourdeau respondents  
have petitioned for review of the  
remand ID, including Order No. 55 and  
Order No. 59. Deere and the  
Commission investigative attorney  
oppose the petition.

The Commission has determined to  
review in part Order No. 55 and the  
Remand ID. The Commission requests  
briefing by the parties (1) On the  
standard for authorization that was  
applied in Order No. 55 and how that  
standard was applied in light of the  
burden of proof; (2) on the issue of
