## DEPARTMENT OF THE INTERIOR

### Bureau of Indian Affairs

#### Privacy Act of 1974, as Amended; Establishment of a New System of Records

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Notice of addition of a new system of records.

**SUMMARY:** The Department of the Interior (DOI), Bureau of Indian Affairs (BIA) is issuing public notice of its intent to add a new Privacy Act system of records to its inventory of records systems subject to the Privacy Act of 1974 (5 U.S.C. 552a). This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register** notice of the existence and character of records systems maintained by the agency (5 U.S.C. 552a(e)(4)). The new Privacy Act system of records is entitled "Interior BIA-27: BIA Probate Files."

**DATES:** The proposed new system of records will become effective without further notice on April 9, 2007, unless comments received result in a contrary

determination. Under 5 U.S.C. 552a(e)(11), the public is provided a 30-day period in which to comment on the agency's intended use of the information in the system of records. The Office of Management and Budget (OMB), in its Circular A-130, requires an additional 10-day period in which OMB may comment (for a total of 40 days in which to make these comments). BIA will publish a subsequent notice if changes are made based on review of comments received.

**ADDRESSES:** Interested individuals may submit comments on this publication to Director, Special Projects Office, Western Regional Office, Bureau of Indian Affairs, 400 N. 5th Street, 10th Floor, Phoenix, AZ 85004, or fax to (602) 379-4005.

**FOR FURTHER INFORMATION CONTACT:** For information regarding BIA-27 Probate, contact Bill Titchywy, Director, Special Projects Office, Western Regional Office, Bureau of Indian Affairs, 400 N. 5th Street, 10th Floor, Phoenix, AZ 85004, (602) 379-4002.

**SUPPLEMENTARY INFORMATION:** This notice is published pursuant to the Privacy Act of 1974 (5 U.S.C. 552a(e)(4)) and is in exercise of authority delegated by the Secretary of the Interior to the Principal Deputy Assistant Secretary—Indian Affairs in 209 DM 8.1. This notice establishes the Privacy Act system of records entitled "Interior BIA-27: BIA Probate Files." The purpose of this system is to provide information on the types of records assembled in BIA for the purpose of processing a probate file and the categories of records associated with the probate program. BIA assembles and maintains these files with regard to any given probate of an estate of a decedent who owned trust or restricted Indian land, then provides the file to the Office of Hearings and Appeals for use in the adjudication process. The records include both hard copy and electronic copy, stored in software called ProTrac. The ProTrac software stores information related to individual Indian estates and allows BIA probate personnel to track information related to each estate and search the information during the probate process. ProTrac allows BIA probate personnel to obtain listings of deaths, obtain the status on any estate, and measure progress, correctness, and timeliness of work done on probate cases.

ProTrac is proposed to interface with both the Trust Asset and Accounting Management System (TAAMS) and the Trust Fund Accounting System (TFAS) to ensure that the information in ProTrac necessary for probate functions

is as up-to-date as possible and that information affected by probate in TAAMS and TFAS is updated.

Dated: February 7, 2007.
