IV. Commission's Findings and Order Granting Accelerated Approval of the Proposed Rule Change

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.¹² In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹³ which requires, among other things, that the Exchange's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Commission believes that offering an optional in-house fingerprinting service may provide Exchange members and member applicants with an expedited and less burdensome alternative for obtaining and processing

their fingerprints at the Exchange as part of the Exchange's registration process. The Commission further believes that the additional changes to the Exchange's Member Fees schedule serve to clarify the fees associated with the Exchange's new fingerprinting service.

Accelerated Approval

The Commission finds good cause, consistent with Section 19(b)(2) of the Act,¹⁴ for approving this proposed rule change, as amended, before the thirtieth day after the publication of notice thereof in the **Federal Register** because it would enable the Exchange to implement the optional in-house fingerprinting service immediately, providing members and member applicants another way to be fingerprinted.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁵ that the proposed rule change (SR-Amex-2007-18), as modified by Amendment No. 1, be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁶

Deputy Secretary.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(4),⁷ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using facilities.
