

shipper review for the shipment of solid urea from Russia it produced and exported. See Memorandum to the File from Thomas Schauer, Senior Analyst, through Laurie Parkhill, Director, Office 5: New-Shipper Review Initiation Checklist, dated February 26, 2007. Also, please refer to this memorandum for our response to the arguments the petitioner raised in its February 16, 2007, letter. As we stated in that memorandum, we intend to examine these arguments in greater detail during the course of the review and, if we determine that the producer of the subject merchandise subject to the review was indeed an affiliate of the exporter or producers in the original investigation, we may rescind the new-shipper review as provided in section 751(a)(2)(B) of the Act and 19 CFR 351.214.

The period of review for this new-shipper review is July 1, 2006, through December 31, 2006. See 19 CFR 351.214(g)(1)(ii)(A). The Department intends to issue the preliminary results of this review no later than 180 days from the date of initiation and final results of this review no later than 270 days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct U.S. Customs and Border Protection to collect a bond or other security in lieu of a cash deposit in new-shipper reviews. Therefore, the posting of a bond under section 751(a)(2)(B)(iii) of the Act in lieu of a cash deposit is not available in this case. Importers of subject merchandise manufactured and exported by EuroChem must continue to pay a cash deposit of estimated antidumping duties on each entry of subject merchandise at the current all-others rate of 68.26 percent.

Interested parties requiring access to proprietary information in this new-shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: February 27, 2007.
