Northern Natural Gas Company; Notice of Limited Waiver of Tariff Provisions

February 28, 2007.

Take notice that on February 26, 2007, Northern Natural Gas Company (Northern) tendered for filing a petition for a limited waiver of Northern's FERC Gas Tariff I order to allow Northern to resolve a prior-period imbalance with OXY USA Inc. (OXY) without tiering the Monthly Index Price (MIP) applicable to OXY's imbalance as required by the tiering provisions of Section 32 of the General Terms and Conditions of Northern's tariff.

Northern states that it is requesting the limited waiver because OXY's imbalance was incurred as a result of measurement equipment freeze-offs that were beyond the customer's control.
