Extension of the Designation of Sudan for Temporary Protected Status; Automatic Extension of Employment Authorization Documentation for Sudanese TPS Beneficiaries

AGENCY: U.S. Citizenship and Immigration Services, DHS.

ACTION: Notice of extension of temporary protected status designation of Sudan.

SUMMARY: This Notice alerts the public that the designation of Sudan for Temporary Protected Status (TPS) has been extended for 18 months to November 2, 2008, from its current expiration date of May 2, 2007. This Notice also sets forth procedures necessary for nationals of Sudan (or aliens having no nationality who last habitually resided in Sudan) with TPS to re-register and to apply for an extension of their Employment Authorization Documents (EADs) for the additional 18-month period. Re-registration is limited to persons who have previously registered for TPS under the designation of Sudan and whose application has been granted or remains pending. Certain nationals of Sudan (or aliens having no nationality who last habitually resided in Sudan) who have not previously applied for TPS may be eligible to apply under the late initial registration provisions.

Given the timeframes involved with processing TPS re-registrants, the Department of Homeland Security (DHS) recognizes that re-registrants may not receive a new EAD until after their current EAD expires on May 2, 2007. Accordingly, this Notice automatically extends the validity of EADs issued under the TPS designation of Sudan for six months, through November 2, 2007, and explains how TPS beneficiaries and their employers may determine which EADs are automatically extended. New EADs with the November 2, 2008 expiration date will be issued to eligible TPS beneficiaries who timely re-register and apply for an EAD.

DATES: The extension of the TPS designation of Sudan is effective May 3, 2007, and will remain in effect until 11:59 p.m. on November 2, 2008. The 60-day re-registration period begins March 8, 2007, and will remain in effect
