### BTEC New Albany LLC; Notice of Issuance of Order

March 5, 2007.

BTEC New Albany LLC (New Albany) filed an application for market-based rate authority, with an accompanying

rate schedule. The proposed market-based rate schedule provides for the sale of energy, capacity and ancillary services at market-based rates. On March 2, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under Part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approvals of issuances of securities or assumptions of liability by New Albany should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of New Albany's issuance of securities or assumptions of liability.
