

and media campaigns (*i.e.*, electronic media, print media, Internet, etc.); and hosting a Web site for the ETF. The Exchange also represents that this proposed marketing activity has no connection to Archipelago Securities' facility functions.

III. Discussion

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁸ and, in particular, the requirements of Section 6 of the Act.⁹ Specifically, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹⁰ which requires, among other things, that the rules of a national securities exchange be designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission finds that the proposed rule change also furthers the objectives of Section 6(b)(8)¹¹ of the Act in that it does not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Based on the Exchange's representation that this proposed marketing activity has no connection to Archipelago Securities' facility functions, the Commission believes that the proposal is consistent with the Act and the Archipelago/PCX Acquisition Release.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹² that the proposed rule change (SR-NYSEArca-2007-09) is hereby approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³

Florence E. Harmon,

Deputy Secretary.
