

requirements to conduct proceedings in an open manner. Such evidence may include inter alia product samples, lab tests, detailed descriptions of product facilities, and comparisons of product performance in the intended end-use of the subject product. Any samples, if requested, of fibers, yarns, or fabrics, that are provided to CITA will be made available for public inspection at the Office of Textiles and Apparel, Room 3110, U.S. Department of Commerce, 14th St. and Constitution Ave., N.W., Washington, DC 20230. All written submissions must follow instructions described in section 3 of these procedures. Samples should be identified with a cover sheet that describes the specifications of the sample and be identical to the specifications of the request.

- (ii) CITA also will consider evidence in support of claims that CAFTA-DR supplier(s) can supply a substantially similar product to that specified in the request.
- (iii) CITA will make a determination, not later than 44 U.S. business days after the official receipt of a Commercial Availability Request whether to Approve, Approve with Restriction, or Deny the Commercial Availability Request and will follow the notification process accordingly.

(5) Deemed Approval. In the event that CITA does not make a determination in response to a Commercial Availability Request to add a product to Annex 3.25 of the Agreement within the statutory deadlines provided, not later than 45 U.S. business-days after the official receipt of the commercial availability request or not later than 60 U.S. business-days after the official receipt of the Commercial Availability Request that was determined to lack sufficient information pursuant to subsection (c)(4), the requested subject product shall be added to the Commercial Availability List in Annex 3.25, in an unrestricted quantity, in accordance with the requirements of section 203(o)(4)(D) of the CAFTA-DR Implementation Act. CITA will notify the public of the Deemed Approval by publication in the U.S. **Federal Register** and posting on OTEXA's website.

9. Six Month Procedures:

(a) *Request to Remove or Restrict.* No earlier than six months after a product has been added to the Commercial

Availability List in Annex 3.25 in an unrestricted quantity pursuant to sections 203(o)(2) and (4) of the CAFTA-DR Implementation Act, an interested entity may submit a request to CITA requesting that a product be either removed or that a quantity restriction be introduced.

(b) *Content of a Request to Remove or Restrict.* The Request to Remove or Restrict must provide the substantive information set forth in subsection 6(b) (Contents of a Response with an Offer) of these procedures.

(c) *Procedures.*

- (1) In considering whether to accept a Request to Remove or Restrict, CITA will follow procedures set forth in section 5 (*Consideration and Acceptance of a Request*) of these procedures.
- (2) If CITA determines to accept the Request to Remove or Restrict, CITA and any responding interested entity shall follow applicable procedures and contents set forth in subsections 6(a) (Response Submission) and section 7 (Submitting Rebuttal Evidence) of these procedures.
- (3) As set forth in subsections 8(a) and (b) (*Determination Process*) of these procedures, CITA will determine whether the subject product of the Request to Remove or Restrict is available in commercial quantities in a timely manner in the DR-CAFTA countries not later than 30 U.S. business days after the official receipt of the request.

- (i) If CITA determines that the product is available in commercial quantities in a timely manner in the DR-CAFTA countries, e.g., that a CAFTA-DR supplier is capable to supply the entire subject product requested originally, then that product will be removed from the Commercial Availability List in Annex 3.25 of the Agreement.
- (ii) If CITA determines that the product is available in restricted quantities in a timely manner in the CAFTA-DR countries, e.g., that a CAFTA-DR supplier is capable to supply part of the subject product requested originally then a restricted quantity will be introduced for that product.
- (iii) If the Commercial Availability List changes as a result of CITA's determination for the Request to Remove or Restrict, CITA will notify interested parties by email of its determination and will publish a notice of its determination for the request to remove or restrict in the U.S. **Federal Register**.

(A) For removal, the notice will state

that textile and apparel articles containing the subject product are not to be treated as originating in a CAFTA-DR country if the subject product is obtained from non-CAFTA-DR sources, effective for goods entered into the United States on or after six months (i.e., 180 calendar days) after the date of publication of the notice.

- (B) For restriction, the notice will specify the restricted quantity for the subject product that is to be effective on or after six months (i.e., 180 calendar days) after the publication date of the notice.

Chairman, Committee for the Implementation of Textile Agreements.

6. *Other Submission Requirements:* Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the Centers for Independent Living program, CFDA Number 84.132A, must be submitted electronically using the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement *and* submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for Centers for Independent Living program at <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.132, not 84.132A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted, and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the Grants.gov system later

than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>).

You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information

you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the application deadline date, please contact the person listed elsewhere in this notice under **FOR FURTHER**

INFORMATION CONTACT and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Thomas Kelley, U.S. Department of Education, 400 Maryland Avenue, SW., room 5055, Potomac Center Plaza, Washington, DC 20202–2800. FAX: (202) 245–7593.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition are in 34 CFR 366.27.

2. *Review and Selection Process:* An additional factor we consider in selecting an application for an award is comments regarding the application, if any, by the State Independent Living Council in the State or territory in which the applicant is located.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:*

We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The Government Performance and Results

Act of 1993 (GPRA) directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The goal of the Centers for Independent Living program is to promote and practice the independent living philosophy of consumer control of the center regarding decisionmaking, service delivery, management, and establishment of the policy and direction of the center; self-help and self-advocacy; development of peer relationships and peer role models; and the equal access of individuals with significant disabilities to society and to all services, programs, activities, resources, and facilities, whether public or private and regardless of the funding source.

In order to measure the success of one component of meeting this goal, each grantee is required to track the number of individuals who leave nursing homes and other institutions for community-based housing due to independent living services provided by the center. In annual performance reports, centers are required to provide information on the number of individuals requesting this service and the number of individuals who successfully relocated from institutionalized to community-based living.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

Office of Energy Efficiency and Renewable Energy

Energy Conservation Program for Consumer Products: Representative Average Unit Costs of Energy

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Notice.

SUMMARY: In this notice, the Department of Energy (DOE) is forecasting the representative average unit costs of five residential energy sources for the year 2007 pursuant to the Energy Policy and Conservation Act. The five sources are electricity, natural gas, No. 2 heating oil, propane, and kerosene.

DATES: *Effective Date:* The representative average unit costs of energy contained in this notice will become effective April 20, 2007 and will remain in effect until further notice.

FOR FURTHER INFORMATION CONTACT: Bryan D. Berringer, U.S. Department of Energy, Office of Energy Efficiency and Renewable Energy, Forrestal Building, Mail Station EE-2J, 1000 Independence Avenue, SW., Washington, DC 20585-0121, (202) 586-0371, bryan.berringer@ee.doe.gov.

Francine Pinto, Esq., U.S. Department of Energy, Office of General Counsel, Forrestal Building, Mail Station GC-72, 1000 Independence Avenue, SW., Washington, DC 20585-0103. (202) 586-7432, Francine.pinto@hq.doe.gov.

SUPPLEMENTARY INFORMATION: Section 323 of the Energy Policy and Conservation Act (Act) (42 U.S.C. 6291-6309) requires that DOE prescribe test procedures for the determination of the estimated annual operating costs or other measures of energy consumption

for certain consumer products specified in the Act. (42 U.S.C. 6293) These test procedures are found in Title 10 of the Code of Federal Regulations (CFR) part 430, subpart B.

Section 323(b) of the Act requires that the estimated annual operating costs of a covered product be calculated from measurements of energy use in a representative average use cycle or period of use and from representative average unit costs of the energy needed to operate such product during such cycle. (42 U.S.C. 6293(b)) The section further requires that DOE provide information to manufacturers regarding the representative average unit costs of energy. (42 U.S.C. 6293(b)(4)) This cost information should be used by manufacturers to meet their obligations under section 323(c) of the Act. Most notably, these costs are used to comply with Federal Trade Commission (FTC) requirements for labeling. Manufacturers are required to use the revised DOE representative average unit costs when the FTC publishes new ranges of comparability for specific covered products, 16 CFR part 305. Interested parties can also find information covering the FTC labeling requirements at <http://www.ftc.gov/appliances>.

DOE last published representative average unit costs of residential energy for use in the Energy Conservation Program for Consumer Products Other Than Automobiles on February 27, 2006 (71 FR 9806). Effective April 20, 2007, the cost figures published on February 27, 2006, will be superseded by the cost figures set forth in this notice.

DOE's Energy Information Administration (EIA) has developed the 2007 representative average unit after-tax costs found in this notice. The representative average unit after-tax costs for electricity, natural gas, No. 2 heating oil, and propane are based on simulations used to produce the February, 2007, EIA *Short-Term Energy Outlook*. (EIA release the Outlook monthly.) The representative average unit after-tax costs for kerosene are derived from their prices relative to that of heating oil, based on 2001-2005 averages for these two fuels. The source for these price data is the January, 2007, *Monthly Energy Review* DOE/EIA-0035(2007/01). The *Short-Term Energy Outlook* and the *Monthly Energy Review* are available on the EIA Web site at <http://www.eia.doe.gov>. For more information on the two sources, contact the National Energy Information Center, Forrestal Building, Room 1F-048, 1000 Independence Avenue, SW., Washington, DC 20585, (202) 586-8800.
