Federal Transit Administration

[Docket No. FTA-2007-27663]

Notice of Request for the Extension of a Currently Approved Information Collection

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice of request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the intention of the Federal Transit Administration (FTA) to request the Office of Management and Budget (OMB) to extend the following currently approved information collection:

49 U.S.C. 5310 and 5311—Capital Assistance Program for Elderly Persons and Persons with Disabilities and Nonurbanized Area Formula Program

DATES: Comments must be submitted before May 25, 2007.

ADDRESSES: All written comments must refer to the docket number that appears at the top of this document and be submitted to the United States Department of Transportation, Central Dockets Office, PL-401, 400 Seventh Street, SW., Washington, DC 20590. All comments received will be available for examination at the above address from 10 a.m. to 5 p.m., e.t., Monday through Friday, except Federal holidays. Those desiring notification of receipt of comments must include a self-addressed, stamped postcard/envelope.

FOR FURTHER INFORMATION CONTACT: Ms. Cheryl Oliver, Office of Program Management, (202) 366-2053.

SUPPLEMENTARY INFORMATION: Interested parties are invited to send comments regarding any aspect of this information collection, including: (1) The necessity and utility of the information collection for the proper performance of the functions of the FTA; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the collected information; and (4) ways to minimize the collection burden without reducing the quality of the collected information. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection.

Title: 49 U.S.C. 5310 and 5311—Capital Assistance Program for Elderly Persons and Persons with Disabilities and Nonurbanized Area Formula Program (*OMB Number:* 2132-0500)

Background: The Capital Assistance Program for Elderly Persons and Persons with Disabilities provides financial assistance for the specialized transportation service needs of elderly persons and persons with disabilities. The program is administered by the States and may be used in all areas, urbanized, small urban, and rural. The Nonurbanized Area Formula Program provides financial assistance for the provision of public transportation services in nonurbanized areas and this program is also administered by the States. 49 U.S.C. 5310 and 5311 authorize FTA to review applications for federal financial assistance to determine eligibility and compliance with statutory and administrative requirements. Information collected during the application stage includes the project budget, which identifies funds requested for project implementation; a program of projects, which identifies subrecipients to be funded, the amount of funding that each will receive, and a description of the

projects to be funded; the project implementation plan; the State management plan; a list of annual certifications and assurances; and public hearings notice, certification and transcript. The applications must contain sufficient information to enable FTA to make the findings required by law to enforce the program requirements. Information collected during the project management stage includes an annual financial report, an annual program status report, and pre-award and post-delivery audits. The annual financial report and program status report provide a basis for monitoring approved projects to ensure timely and appropriate expenditure of federal funds by grant recipients.

Respondents: State and local government, business or other for-profit institutions, non-profit institutions, and small business organizations.

Estimated Annual Burden on Respondents: 102.44 hours for each of the respondents.

Estimated Total Annual Burden: 11,370 hours.

Frequency: Annual.

Issued: March 20, 2007.

Ann M. Linnertz,

Associate Administrator for Administration.

Pipeline and Hazardous Materials Safety Administration

[Docket No. PHMSA-2007-27493; Notice No. 07-02]

Advisory Guidance; Transportation of Batteries and Battery-Powered Devices by Airline Passengers and Crew Members

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: Safety advisory.

SUMMARY: The Pipeline and Hazardous Materials Safety Administration is issuing this advisory to inform the traveling public and airline employees about the importance of properly packing and handling batteries and battery-powered devices when they are carried aboard aircraft. Thousands of batteries and battery-powered devices are safely carried aboard passenger aircraft each day, but several recent incidents involving batteries in checked or carry-on baggage illustrate the risks of overheating and fire that can occur when the regulations are not followed. Federal regulations require that
