

Agency and the Military Departments in planning and managing an effective and economical research and development program in the area of electron devices.

The AGED meeting will be limited to review of research and development efforts in electronics and photonics with a focus on benefits to national defense. These reviews may form the basis for research and development programs initiated by the Military Departments and Defense Agencies to be conducted by industry, universities or in government laboratories. The agenda for this meeting will include programs on molecular electronics, microelectronics, electro-optics, and electronic materials.

In accordance with Section 10(d) of Pub. L. No. 92-463, as amended, (5 U.S.C. App. 2), it has been determined that this Advisory Group meeting concerns matters listed in 5 U.S.C. § 552b(c)(1), and that accordingly, this meeting will be closed to the public.

Dated: March 20, 2007.
