SUPPLEMENTARY INFORMATION: Sanctuary Advisory Council members and alternates serve three-year terms. The Advisory Council meets bi-monthly in public sessions in communities in and around the Olympic Coast National Marine Sanctuary.

The Olympic Coast National Marine Sanctuary Advisory Council was established in December 1998 to assure continued public participation in the management of the sanctuary. Serving in a volunteer capacity, the advisory council's 15 voting members represent a variety of local user groups, as well as the general public. In addition, five Federal Government agencies and one federally funded program serve as non-voting, ex officio members. Since its establishment, the advisory council has played a vital role in advising the sanctuary and NOAA on critical issues. In addition to providing advice on management issues facing the Sanctuary, the Council members serve as a communication bridge between constituents and the Sanctuary staff.
