Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Readiness and Emergency Management for Schools (REMS) grant competition supports efforts by LEAs to improve and strengthen their school emergency management plans, including training school personnel and students in emergency response procedures; communicating emergency plans and procedures with parents; and coordinating with local law enforcement, public safety, public health, and mental health agencies.

Priorities: These priorities are from (1) the notice of final priorities and other application requirements for this program, published in the **Federal Register** on June 21, 2005 (70 FR 35652) and (2) the notice of final priorities published in the **Federal Register** on May 11, 2006 (71 FR 27576).

Absolute Priority: For FY 2007 and any subsequent year in which we make awards based on the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only those applications that meet this priority.

This priority is:

Improvement and Strengthening of School Emergency Management Plans

This priority supports local educational agency (LEA) projects to improve and strengthen emergency management plans, at the district and school-building level addressing the four phases of emergency management: Prevention-Mitigation, Preparedness, Response, and Recovery. Plans must include: (1) Training for school personnel and students in emergency management procedures; (2) Coordination with local law enforcement, public safety, public health, and mental health agencies; and (3) A method for communicating school emergency management policies and reunification procedures to parents and guardians.

Competitive Preference Priorities: For FY 2007, and any subsequent year in which we make awards based on the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i) we award an additional 10 points to an application that meets Priority 1 and we award an

additional 5 points to an application that meets Priority 2. Applications that qualify for Priorities 1 and 2 will receive points only under Priority 1.

These priorities are:

Priority 1—Competitive Preference Priority for LEAs That Have Not Previously Received a Grant Under the REMS Program (CFDA 84.184E) and Are Located in an Urban Areas Security Initiative Jurisdiction

Under this priority, we give a competitive preference to applications from local educational agencies (LEAs) that (1) have not yet received a grant under this program (CFDA 84.184E) and (2) are located in whole or in part within Urban Areas Security Initiative (UASI) jurisdictions, as determined by the U.S. Department of Homeland Security (DHS). An applicant must meet both of these criteria in order to receive the competitive preference. Under a consortium application, all members of the LEA consortium need to meet both criteria to be eligible for the preference. Applications submitted by educational service agencies (ESAs) are eligible under this priority if each LEA to be served by the grant is located within a UASI jurisdiction and has not received funding under this program directly, or as the lead agency or as a partner in a consortium; however the ESA itself may have received a previous grant.

Because DHS' determination of UASI jurisdictions may change from year to year, applicants under this priority must refer to the most recent list of UASI jurisdictions published by DHS when submitting their applications.

Note: The Governor of each State has designated a State Administrative Agency (SAA) as the entity responsible for applying for, and administering, funds under the Department of Homeland Security Grant Program (which includes the UASI program). The SAA is also responsible for defining the geographic borders for jurisdictions included in the UASI program. Guidance on jurisdiction definitions can be found at: http://www.ojp.usdoj.gov/odp/grants_hsgp.htm.

Priority 2—Competitive Preference Priority for LEAs That Have Not Previously Received a Grant Under the REMS Program (CFDA 84.184E)

Under this priority, we give competitive preference to applications from local educational agencies (LEAs) that have not previously received a grant under this program (CFDA 84.184E). Applicants (other than educational service agencies (ESAs)) that have received funding under this program directly, or as the lead agency or as a partner in a consortium application under this program, will not
