Additions

If the Committee approves the proposed addition, the entities of the Federal Government identified in this notice for each product will be required to procure the product listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products to the Government.
2. If approved, the action will result in authorizing small entities to furnish the products to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the products proposed for addition to the Procurement List.

Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

End of Certification

The following product is proposed for addition to Procurement List for production by the nonprofit agencies listed:

Products

Trunk Locker, Barracks.

Foreign-Trade Zones Board

Scope Clarification Request—Foreign-Trade Subzone 57B, (Construction Equipment), Volvo Construction Equipment North America, Inc.—Skyland, North Carolina

A request for clarification of scope has been submitted to the Foreign-Trade Zones Board (the Board) by Volvo Construction Equipment North America, Inc. (Volvo CENA), operator of Foreign-Trade Subzone 57B. A grant of authority for Volvo CENA's subzone was issued on May 15, 2001 (Board Order 1164), for the manufacture of construction equipment, specifically, wheel loaders and articulated haulers (66 FR 28890, 5/25/01). The scope of manufacturing authority was expanded on August 21, 2003 (Board Order 1284), to include skid-steer loaders and compaction rollers (68 FR 52383, 9/3/03).

Volvo CENA now seeks clarification as to whether its scope includes authority to fabricate and assemble construction equipment cabs (HTS 8431.49 and HTS 8708.29), rather than import the finished cabs from the parent company (Volvo CE) in Sweden. Volvo CENA's request indicates that the foreign-sourced materials under the proposed expanded scope fall into categories similar to those already included in the company's existing scope of authority. Duty rates on the imported components to be used for cab production range from duty-free to 9.9 percent.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address listed below. The closing period for their receipt is May 7, 2007. A copy of the request is available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, U. S. Department of Commerce, Room 2814B,
