SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55599; File No. SR-Phlx-2007-32]

Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Equity Option and Index Option Floor Brokerage Assessment

April 6, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 30, 2007, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by Phlx. Phlx filed the proposal pursuant to Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Phlx proposes to amend the equity option and index option Floor Brokerage Assessment to change the levels of the monthly net floor brokerage income and corresponding assessment and to effectively reduce the fee cap from \$100,000 per month to \$10,000 per month. The proposed equity option and index option Floor Brokerage Assessment is set forth below:

Monthly net floor brokerage income	Assessment
\$0-\$200,000	5% for all amounts up to and including \$200,000.
Any amount over \$200,000.	No additional charge.

Monthly Cap: \$10,000.

The proposed amendments to the Floor Brokerage Assessment, as set forth above, are scheduled to become effective for trades settling on or after April 2, 2007.

The Exchange also proposes to make a minor technical change to clarify that the title "Summary of Equity Option and RUT and RMN Charges" should appear on each page of that section of the fee schedule rather than merely on the first page. The text of the proposed rule change is available at Phlx, the Commission's Public Reference Room, and <http://www.phlx.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Phlx included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Phlx has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of amending the Floor Brokerage Assessment, including effectively lowering the monthly fee cap to \$10,000,⁵ is to create a financial

incentive for floor brokers to send additional order flow to the Exchange, which should, in turn, allow the Exchange to remain competitive.

The purpose of setting forth the title "Summary of Equity Option and RUT and RMN Charges" on each applicable page of the fee schedule is to codify a change that was recently made to the Exchange's fee schedule. The Exchange recently filed a proposed rule change to assess equity option charges (including payment for order flow charges), as opposed to index option charges, on (1) options on the Russell 2000[®] Index⁶ traded under the symbol RUT (the "Full Value Russell Index"), and (2) options on the one-tenth value Russell 2000[®] Index traded under the symbol RMN (the "Reduced Value Russell Index").⁷ The Exchange changed the title of the first page of the equity option fee schedule from "Summary of Equity Option Charges" to "Summary of Equity Option and RUT and RMN Charges," but inadvertently did not make corresponding changes to the title on each subsequent page of the equity option fee schedule. Thus, placing the title "Summary of Equity Option and RUT and RMN Charges" on each page will more accurately reflect the changes that were recently made to the Exchange's fee schedule, as described above.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁹ in particular, in that it is an equitable

monthly net floor brokerage income for all amounts up to and including \$200,000. For example, if the net floor brokerage income is \$300,000 for a particular month, then the first \$200,000 would be assessed a rate of 5%, (which is \$10,000) and the remainder (\$100,000) would not be charged any additional Floor Brokerage Assessment.

⁵ Although the fee schedule will reflect a cap of \$10,000, in actuality listing the cap is just for clarity; mathematically, the cap would exist anyway because the 5% assessment would be applied to the

allocation of reasonable fees and other charges among Exchange members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2)¹¹ thereunder. Accordingly, the proposed rule change is effective upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
