Farm Service Agency

Title: 7 CFR 1941, Operating Loan Policies, Procedures and Authorizations and Closings.

OMB Control Number: 0560-0162.

Summary of Collection: The Consolidated Farm and Rural Development Act (7 U.S.C 1922) (CONACT) authorizes the Secretary of Agriculture and Farm Service Agency (FSA) to make and insure loans to farmers and ranchers and to administer the provisions of the CONACT applicable to the Farm Loan Program. The information is required to ensure that the agency provides assistance to applicants who have reasonable prospects of repaying the government and meet statutory eligibility requirements. This assistance enables family farm operators to use their land, labor, and other resources and to improve their living and financial conditions so that they can eventually obtain credit elsewhere.

Need and Use of the Information: The information is needed for FSA loan approval officials to evaluate an applicant's eligibility, and to determine if the operation is economically feasible and the security offered in support of the loan is adequate. FSA relies on current information to carry out the business of the program as intended and to protect the government's interest. A variety of forms will be used to collect the information. If the information were not collected, or collected less frequently, the Agency would be: (1) Unable to make an accurate eligibility and financial feasibility determination on respondents' request for new loans as required by the CONACT; and (2) unable to meet the congressionally mandated mission of loan programs.

Description of Respondents: Farms: Business or other for-profit; Individuals or households.

Number of Respondents: 26,146.

Frequency of Responses: Reporting: Other (OL Loans).

Total Burden Hours: 7,019.

Ruth Brown,

Departmental Information Collection Clearance Officer.
