SUPPLEMENTARY INFORMATION:

I. Abstract

Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8 (d)). This notice identifies an existing information

collection activity that the Office of the Secretary has submitted to OMB for extension.

Public Law 88-459 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A-45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Quarters (GFQ) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, the Office of Acquisition and Property Management (PAM) conducts housing surveys in support of quarters management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Defense, Homeland Security, Justice, Transportation, Treasury, Health and Human Services, and Veterans Affairs. In this survey, two collection forms are used: OS-2000, covering "Houses—Apartments—Mobile Homes" and OS-2001, covering "Trailer Spaces."

This collection of information provides data that helps DOI and the other Federal agencies to manage GFQ within the requirements of OMB Circular A-45 (Revised.) If this information were not collected from the public, DOI and the other Federal agencies required to provide GFQ would have no objective basis for determining open market rental costs for GFQ.
