

refrigerator or refrigerator-freezer classes. They are therefore not eligible for ratings under EnergyStar.

(4) Representations. Liebherr may make representations about the energy use of its wine storage/freezer products, for compliance, marketing, or other purposes, only to the extent that such representations are made consistent with the provisions outlined below.

(5) This waiver shall remain in effect from the date this Decision and Order is issued until DOE prescribes final test procedures appropriate to the above model series manufactured by Liebherr.

(6) This waiver is conditioned upon the presumed validity of statements, representations, and documentary materials provided by the petitioner. This waiver may be revoked or modified at any time upon a determination that the factual basis underlying the petition is incorrect, or DOE determines that the results from the modified test procedure are unrepresentative of the basic models' true energy consumption characteristics.

Issued in Washington, DC, on April 9, 2007.
