

have a former spouse who is entitled to a survivor annuity benefit. RI 20-63B is for those who do have a former spouse who is entitled to a benefit. These booklets do not require OMB clearance. They have been included because they provide the annuitant additional information.

Approximately 2,400 RI 20-63 forms are returned each year electing survivor annuities and 200 annuitants return the cover letter to ask for information about the cost to elect less than the maximum survivor annuity or to refuse to provide any survivor benefit. It is estimated to take approximately 45 minutes to complete the form with a burden of 1,800 hours and 10 minutes to complete the letter, which gives a burden of 34 hours. The total burden for RI 20-63 is 1,834 hours.
