#### Agency Information Collection Activities: Submission for OMB Review; Comment Request

**AGENCY:** Centers for Medicare & Medicaid Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the Agency's function; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. *Type of Information Collection Request:* Extension of a currently approved collection; *Title of Information Collection:* Medicaid Managed Care Regulations for 42 CFR 438.6, 438.8, 438.10, 438.12, 438.50, 438.56, 438.102, 438.114, 438.202, 438.204, 438.206, 438.207, 438.240, 438.242, 438.402, 438.404, 438.406, 438.408, 438.410, 438.414, 438.416, 438.604, 437.710, 438.722, 438.724, and 438.810; *Use:* These information collection requirements implement regulations that allow States greater flexibility to implement mandatory managed care program, implement new beneficiary protections, and eliminate certain requirements viewed by State agencies as impediments to the growth of managed care programs. Information collected includes information about managed care programs, grievances and appeals, enrollment broker contracts, and managed care organizational capacity to provide health care services. *Form Number:* CMS-10108 (OMB#: 0938-0920); *Frequency:* Reporting: Occasionally; *Affected Public:* State, Local, or Tribal Government; *Number of Respondents:* 39,114,558; *Total Annual*

2. *Type of Information Collection Request:* New collection; *Title of Information Collection:* Health Plan Employer Data and Information Set (HEDIS®); *Use:* The Centers for Medicare & Medicaid Services (CMS) collects quality performance measures in order to hold the Medicare managed care industry accountable for the care being delivered, to enable quality improvement, and to provide quality information to Medicare beneficiaries in order to promote an informed choice. It is critical to CMS' mission that we collect and disseminate information that will help beneficiaries choose among health plans, contribute to improved quality of care through identification of improvement opportunities, and assist CMS in carrying out its oversight and purchasing responsibilities.

In December 1997, OMB approved the request from CMS for the information collections under HEDIS® and assigned the agency form number CMS-R-200. The collections approved under that request included the HEDIS® collection (following the technical specifications contained in Volume 2, published by the National Committee for Quality Assurance (NCQA); the Health of Seniors/Health Outcomes Survey (HOS); and the Medicare CAHPS® survey. Since that approval there has been a change in the statutory authority as a result of the Balanced Budget Act of 1997. During the latter part of 2000, CMS instituted several policy changes regarding this collection which reduced burden substantially on the part of the managed care organizations and the process for finalizing and publishing that policy delayed the request for OMB approval. In addition, the renewal of OMB authority for the Medicare CAHPS survey was completed as a separate request. The HOS renewal was also submitted separately. This request is solely for the approval of the HEDIS collection, which is now a stand alone collection. *Form Number:* CMS-10219 (OMB#: 0938-NEW); *Frequency:* Yearly; *Affected Public:* Business or other for-profit and Not-for-profit institutions; *Number of Respondents:* 705; *Total Annual Responses:* 705; *Total Annual Hours:* 33,840.
