Title: NSPS for the Graphic Arts Industry (Renewal).

ICR Numbers: EPA ICR Number 0657.09, OMB Control Number 2060-0105.

ICR Status: This ICR is scheduled to expire on September 31, 2007. Under OMB regulations, the Agency may continue to conduct or sponsor the collection of information while this submission is pending at OMB. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control

number. The OMB control numbers for EPA's regulations in title 40 of the CFR, after appearing in the **Federal Register** when approved, are listed in 40 CFR part 9, and displayed either by publication in the **Federal Register** or by other appropriate means, such as on the related collection instrument or form, if applicable. The display of OMB control numbers in certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: This Information Collection Request (ICR) renewal is being submitted for the NSPS for the Graphic Arts Industry (40 CFR part 60, subpart QQ), which were promulgated on November 8, 1982. These standards apply to the following: each publication rotogravure printing press (not including proof press) commencing construction, modification or reconstruction after the date of proposal (October 28, 1980). Owners and operators of facilities subject to NSPS must notify EPA of construction, reconstruction, anticipated and actual startup dates, and results of performance tests. Records of performance test results, shutdowns, and malfunctions must be maintained. These notifications, reports, and records are essential in determining compliance and are required, in general, of all sources subject to NSPS.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 37 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Graphic arts facilities are potentially affected.

Estimated Number of Respondents: 19.

Frequency of Response: Initially and semiannually.

Estimated Total Annual Hour Burden: 1,718.

Estimated Total Annual Cost: \$108,663, which includes \$0 annualized Capital Startup costs, \$0 annualized Operation and Maintenance costs, and \$108,663 annualized Labor costs.

Changes in the Estimates: There is no change in the total estimated burden currently identified in the OMB Inventory of Approved ICR Burdens.

Dated: April 19, 2007.

The display of OMB control numbers in certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: This Information Collection Request (ICR) renewal is being submitted for the NSPS for Incinerators (40 CFR Part 60, Subpart E), which were promulgated on July 25, 1977. These standards apply to incinerators that charge more than 45 metric tons per day (50 tons per day) of solid waste for the purpose of reducing the volume of the waste. Solid waste is defined as refuse that is more than 50 percent municipal wastes. Owners and operators of incinerators subject to NSPS must notify EPA of construction, reconstruction, anticipated and actual startup dates, and results of performance tests. Records of performance test results, shutdowns, and malfunctions must be maintained. These notifications, reports, and records are essential in determining compliance; and are required, in general, of all sources subject to NSPS.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 51 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Incinerators.

Estimated Number of Respondents: 82.

Frequency of Response: Semiannually.

Estimated Total Annual Hour Burden: 8,393.
