

among other things, certification from a full-time salaried veterinary officer of the national government of the exporting region that poultry and poultry products exported from one of these regions originated in that region (or in another region recognized by APHIS as free of END) and that before export to the United States, the poultry and poultry products were not commingled with poultry and poultry products from regions where END exists.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities for an additional 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the information collection, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the information collection on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies, e.g., permitting electronic submission of responses.

Estimate of burden: The public reporting burden for this collection of information is estimated to average 1 hour per response.

Respondents: Federal animal health authorities of certain regions that export live poultry, poultry meat, and other poultry products.

Estimated annual number of respondents: 10.

Estimated annual number of responses per respondent: 10.

Estimated annual number of responses: 100.

Estimated total annual burden on respondents: 100 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 26th day of April 2007.

Kevin Shea,

Acting Administrator, Animal and Plant Health Inspection Service.

Commodity Credit Corporation

Notice of Request for Extension of a Currently Approved Information Collection

AGENCY: Commodity Credit Corporation, USDA.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the Commodity Credit Corporations (CCC) intention to request an extension for a currently approved information collection in support of the CCC Facility Guarantee Program (FGP) based on re-estimates.

DATES: Comments on this notice must be received by July 2, 2007.

ADDITIONAL INFORMATION OF COMMENTS: Contact P. Mark Rowse, Director, Credit Programs Division, Foreign Agricultural Service, U.S. Department of Agriculture, AgStop 1035, Washington, DC 20250-1035, telephone (202) 720-0624 or e-mail at mark.rowse@usda.gov.

SUPPLEMENTARY INFORMATION:
Title: CCC Facility Guarantee Program.

OMB Number: 0551-0032.

Expiration Date of Approval: September 30, 2007.

Type of Request: Extension of and revision to a currently approved information collection.

Abstract: The primary objective of the FGP is to expand U.S. agricultural exports by improving agricultural infrastructure in importing countries. The FGP makes available export credit guarantees to encourage U.S. private sector financing of foreign purchases of U.S. goods and services on credit terms. The CCC currently offers the FGP for exports to at least 1 country and 2 country regions. The FGP information collection is similar to those for the Export Credit Guarantee Program (GSM-102) (OMB control number 0551-0004). The information collection for the FGP differs primarily as follows:

(1) The applicant, in order to receive a payment guarantee, provides information evidencing that the exported goods and services used to develop improved infrastructure will

primarily benefit exports of U.S. agricultural commodities and products; and

(2) The applicant is required to certify that the value of non-U.S. components of goods and services is less than 50 percent of the contract value covered under the payment guarantee.

In addition, each exporter and exporter's assignee (U.S. financial institution) must maintain records on all information submitted to CCC and in connection with sales made under the FGP. The information collection is used by CCC to manage, plan, evaluate and account for government resources. The reports and records are required to ensure the proper and judicious use of public funds.

Estimate of Burden: The public reporting burden for these collections is estimated to average 12 hours per response.

Respondents: Exporters of U.S. agricultural commodities, banks or other financial institutions, producer associations, export trade associations, and U.S. Government agencies.

Estimated Number of Respondents: 5 per annum.

Estimated Number of Responses per Respondent: 6 per annum.

Estimated Total Annual Burden of Respondents: 360 hours.

Copies of this information collection can be obtained from Tamoria Thompson-Hall, the Agency Information Collection Coordinator, at (202) 690-1690 or e-mail at

Tamoria.Thompson@usda.gov.

Requests for Comments: Send comments regarding (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments may be sent to P. Mark Rowse, Director, Credit Programs Division, Office of Trade Programs, FAS, USDA, Stop 1035, Washington, DC 20250, or mark.rowse@usda.gov, or to the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), Washington, DC 20503. Persons with disabilities who require an alternative means for communication of

information (Braille, large print, audiotape, etc.) should contact USDA's Target Center at (202) 720-2600 (voice and TDD).

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Signed at Washington, DC on April 20, 2007.

W. Kirk Miller,

Administrator, Foreign Agricultural Service.
