

in the Act, or, in the case of a Fund whose public shareholders purchased shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the sole initial shareholder before offering the Fund's shares to the public.

2. Each Fund will disclose in its prospectus the existence, substance, and effect of any order granted pursuant to the application. In addition, each Fund will hold itself out to the public as employing the management structure described in the application. The prospectus will prominently disclose that the Adviser has ultimate responsibility, subject to oversight by the Board, to oversee Subadvisers and recommend their hiring, termination, and replacement.

3. Within 90 days of the hiring of a new Subadviser, the affected Fund shareholders will be furnished all the information about the new Subadviser that would be included in a proxy statement, except as modified to permit Aggregate Fee Disclosure. This information will include Aggregate Fee Disclosure and any change in such disclosure caused by the addition of the new Subadviser. To meet this obligation, the Fund will provide shareholders within 90 days of the hiring of a new Subadviser with an information statement meeting the requirements of Regulation 14C, Schedule 14C, and Item 22 of Schedule 14A under the 1934 Act, except as modified by the order to permit Aggregate Fee Disclosure.

4. The Adviser will not enter into a Subadvisory Agreement with any Affiliated Subadviser without that agreement, including the compensation to be paid thereunder, being approved by the shareholders of the applicable Fund.

5. At all times, at least a majority of the Board will be Independent Directors, and the nomination of new or additional Independent Directors will be placed within the discretion of the then-existing Independent Directors.

6. When a Subadviser change is proposed for a Fund with an Affiliated Subadviser, the Board, including a majority of the Independent Directors, will make a separate finding, reflected in the Board minutes, that the change is in the best interests of the Fund and its shareholders and does not involve a conflict of interest from which the Adviser or the Affiliated Subadviser derives an inappropriate advantage.

7. The Adviser will provide general management services to each Fund, including overall supervisory responsibility for the general management and investment of the

Fund's assets, and, subject to review and approval of the Board, will: (a) Set each Fund's overall investment strategies, (b) evaluate, select and recommend Subadvisers to manage all or a part of a Fund's assets, (c) allocate and, when appropriate, reallocate a Fund's assets among multiple Subadvisers; (d) monitor and evaluate the performance of the Subadvisers, and (e) implement procedures reasonably designed to ensure that the Subadvisers comply with each relevant Fund's investment objective, policies and restrictions.

8. No director or officer of the Funds or the Adviser, will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by such person), any interest in a Subadviser, except for: (a) ownership of interests in the Adviser or any entity that controls, is controlled by, or is under common control with the Adviser, or (b) ownership of less than 1% of the outstanding securities of any class of equity or debt of a publicly traded company that is either a Subadviser or an entity that controls, is controlled by, or is under common control with a Subadviser.

9. The Adviser will provide the Board, no less frequently than quarterly, with information about the Adviser's profitability on a per-Fund basis. Such information will reflect the impact on the profitability of the hiring or termination of any Subadviser during the applicable quarter.

10. Each Fund will disclose in its registration statement the Aggregate Fee Disclosure.

11. The requested order will expire on the effective date of rule 15a-5 under the Act, if adopted.

12. Whenever a Subadviser is hired or terminated, the Adviser will provide the Board with information showing the expected impact on the Adviser's profitability.

13. Independent legal counsel, as defined in rule 0-1(a)(6) under the 1940 Act, will be engaged to represent the Independent Directors. The selection of such counsel will be within the discretion of the then existing Independent Directors.

For the Commission, by the Division of Investment Management, under delegated authority.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55676; File No. SR-CBOE-2007-40]

### Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend the Duration of CBOE Rule 6.45A(b) Pertaining to Orders Represented in Open Outcry

April 27, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on April 25, 2007, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the CBOE. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>3</sup> and Rule 19b-4(f)(6) thereunder,<sup>4</sup> which renders it effective upon filing with the Commission.<sup>5</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to extend the duration of CBOE Rule 6.45A(b) (the "Rule"), relating to the allocation of orders represented in open outcry in equity option classes designated by the Exchange to be traded on the CBOE Hybrid Trading System ("Hybrid") through July 31, 2007. No other changes are being made to the Rule. The text of the proposed rule change is available at CBOE, the Commission's Public Reference Room, and (<http://www.cboe.org/Legal>).

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of, and basis for, the

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

<sup>4</sup> 17 CFR 240.19b-4(f)(6).

<sup>5</sup> The Exchange has asked the Commission to waive the 30-day operative delay required by Rule 19b-4(f)(6)(iii), 17 CFR 240.19b-4(f)(6)(iii). See discussion *infra* Section III.

proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

*A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change*

1. Purpose

In March 2005, the Commission approved revisions to CBOE Rule 6.45A related to the introduction of Remote Market-Makers.<sup>6</sup> Among other things, the Rule, pertaining to the allocation of orders represented in open outcry in equity options classes traded on Hybrid, was amended to clarify that only in-crowd market participants would be eligible to participate in open outcry trade allocations. In addition, the Rule was amended to limit the duration of the Rule until September 14, 2005. The duration of the Rule was thereafter extended through April 30, 2007.<sup>7</sup> As the duration period expires on April 30, 2007, the Exchange proposes to extend the effectiveness of the Rule through July 31, 2007.<sup>8</sup>

<sup>6</sup> See Securities Exchange Act Release No. 51366 (March 14, 2005), 70 FR 13217 (March 18, 2005) (SR-CBOE-2004-75).

<sup>7</sup> See Securities Exchange Act Release Nos. 52423 (September 14, 2005), 70 FR 55194 (September 20, 2005) (SR-CBOE-2005-76) (extending the duration of the Rule through December 14, 2005); 52957 (December 15, 2005), 70 FR 76085 (December 22, 2005) (SR-CBOE-2005-102) (extending the Rule through March 14, 2006); 53524 (March 21, 2006), 71 FR 15235 (March 27, 2006) (SR-CBOE-2006-22) (extending the duration of the Rule through July 14, 2006); 54164 (July 17, 2006), 71 FR 42143 (July 25, 2006) (SR-CBOE-2006-60) (extending the duration of the Rule through October 31, 2006); 54680 (November 1, 2006), 71 FR 65554 (November 8, 2006) (SR-CBOE-2006-86) (extending the duration of the Rule through January 31, 2007); and 55219 (February 1, 2007), 72 FR 6305 (February 9, 2007) (SR-CBOE-2007-10) (extending the duration of the Rule through April 30, 2007).

<sup>8</sup> In order to effect proprietary transactions on the floor of the Exchange, in addition to complying with the requirements of the Rule, members are also required to comply with the requirements of Section 11(a)(1) of the Act, 15 U.S.C. 78k(a)(1), or qualify for an exemption. Section 11(a)(1) restricts securities transactions of a member of any national securities exchange effected on that exchange for (i) the member's own account, (ii) the account of a person associated with the member, or (iii) an account over which the member or a person associated with the member exercises discretion, unless a specific exemption is available. The Exchange has issued regulatory circulars to members informing them of the applicability of these Section 11(a)(1) requirements each time the duration of the Rule was extended. See CBOE Regulatory Circulars RG05-103 (November 2, 2005), RG06-001 (January 3, 2006), RG06-34 (April 7, 2006), RG06-79 (July 31, 2006), RG06-115

2. Statutory Basis

Extension of the duration of the Rule will allow the Exchange to continue to operate under the existing allocation parameters for orders represented in open outcry in Hybrid on an uninterrupted basis. Accordingly, CBOE believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>9</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>10</sup> requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, and, in general, to protect investors and the public interest.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange neither solicited nor received comments on the proposal.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for thirty days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>11</sup> and Rule 19b-4(f)(6)<sup>12</sup> thereunder.<sup>13</sup>

(November 8, 2006) and RG07-21 (February 8, 2007). The Exchange represents that it expects to issue a similar regulatory circular to members reminding them of the applicability of the Section 11(a)(1) requirements with respect to the proposed rule change.

<sup>9</sup> 15 U.S.C. 78f(b).

<sup>10</sup> 15 U.S.C. 78f(b)(5).

<sup>11</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>12</sup> 17 CFR 240.19b-4(f)(6).

<sup>13</sup> Pursuant to Rule 19b-4(f)(6)(iii), the Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date on which the Exchange filed the proposed rule change. See 17 CFR 240.19b-4(f)(6)(iii).

A proposed rule change filed under Commission Rule 19b-4(f)(6)<sup>14</sup> normally does not become operative prior to thirty days after the date of filing. The CBOE requests that the Commission waive the 30-day operative delay, as specified in Rule 19b-4(f)(6)(iii), and designate the proposed rule change to become operative immediately to allow the Exchange to continue to operate under the existing allocation parameters for orders represented in open outcry in Hybrid on an uninterrupted basis. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver will allow the CBOE to continue to operate under the Rule without interruption. For these reasons, the Commission designates the proposed rule change as operative upon filing.<sup>15</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

**IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

*Electronic Comments*

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File Number SR-CBOE-2007-40 on the subject line.

*Paper Comments*

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, Station Place, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-CBOE-2007-40. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use

<sup>14</sup> 17 CFR 240.19b-4(f)(6).

<sup>15</sup> For the purposes only of waiving the operative date of this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of the CBOE. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly.

All submissions should refer to File Number SR-CBOE-2007-40 and should be submitted on or before May 25, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority,<sup>16</sup>

**Florence E. Harmon,**  
Deputy Secretary.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55418; File No. SR-CBOE-2007-22]

### Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Increase the Class Quoting Limit in the Option Class NYSE Group, Inc. (NYX); Republication

March 7, 2007.

**Editorial Note:** FR Doc. E7-4589 originally published at pages 11924-11925 in the issue of Wednesday, March 14, 2007. The original publication contained footnote omissions. As a result, the corrected document is being republished in its entirety.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on February 23, 2007, the Chicago Board Options Exchange, Incorporated ("CBOE" or

"Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act<sup>3</sup> and Rule 19b-4(f)(1) thereunder, which renders it effective upon filing with the Commission.<sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to increase the class quoting limit in the option class NYSE Group, Inc. (NYX). The text of the proposed rule change is available at the CBOE, the Commission's Public Reference Room, and <http://www.cboe.com>.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

CBOE Rule 8.3A, Maximum Number of Market Participants Quoting Electronically per Product, establishes class quoting limits ("CQLs") for each class traded on the Hybrid Trading System.<sup>5</sup> A CQL is the maximum number of quoters that may quote electronically in a given product and the current levels are established from 25-40, depending on the trading activity of the particular product.

Rule 8.3A, Interpretation .01(c) provides a procedure by which the President of the Exchange may increase the CQL for a particular product. In this regard, the President of the Exchange may increase the CQL in exceptional circumstances, which are defined in the rule as " \* \* \* substantial trading

volume, whether actual or expected."<sup>6</sup> The effect of an increase in the CQL is procompetitive in that it increases the number of market participants that may quote electronically in a product. The purpose of this filing is to increase the CQL in the option class NYSE Group, Inc. (NYX) from its current limit of 40 to 45.<sup>7</sup>

Increasing the CQL in NYX options will enable the Exchange to enhance the liquidity offered, thereby offering deeper and more liquid markets.

#### 2. Statutory Basis

CBOE believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>8</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>9</sup> requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

##### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange neither solicited nor received written comments on the proposal.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule, it has become effective pursuant to Section 19(b)(3)(A)<sup>10</sup> and Rule 19b-4(f)(1)

<sup>6</sup> "Any actions taken by the President of the Exchange pursuant to this paragraph will be submitted to the SEC in a rule filing pursuant to Section 19(b)(3)(A) of the Exchange Act." Rule 8.3A.01(c).

<sup>7</sup> The Exchange is requesting this increase in the CQL due to increased trading volume in NYX. Telephone conversation between Angela Muehr, Attorney, Division of Market Regulation, Commission, and Patrick Sexton, Associate General Counsel, CBOE, on March 7, 2007.

<sup>8</sup> 15 U.S.C. 78f(b).

<sup>9</sup> 15 U.S.C. 78f(b)(5).

<sup>10</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>16</sup> 17 CFR 200.30-3(a)(12).

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>4</sup> 17 CFR 240.19b-4(f)(1).
