Folding Metal Tables and Chairs from the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: May 4, 2007.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita or Matthew Quigley, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4243 or (202) 482-4551, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 27, 2006, the Department of Commerce ("the Department") published the initiation of the administrative review of the antidumping duty order on folding metal tables and chairs from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 42626 (July 27, 2006). On March 7, 2007, the Department published a notice in the **Federal Register** extending the time limit for the preliminary results of review until May 31, 2007. See *Folding Metal Tables and Chairs from the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review*, 72 FR 10141 (March 7, 2007). This review covers the period June 1, 2005, through May 31, 2006. The preliminary results of review are currently due no later than May 31, 2007.

Extension of Time Limit for Preliminary Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days

if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the preliminary results of the administrative review of folding metal tables and chairs from the PRC within this time limit because of the need for additional information prior to mandatory verifications. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is further extending the time period for completion of the preliminary results of this review by 30 days until June 30, 2007. Because June 30, 2007, falls on a Saturday, the preliminary results will due on July 2, 2007, the next business day.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: April 30, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Honey from Argentina: Final Results of Antidumping Duty Administrative Review and Determination Not to Revoke In Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On December 29, 2006, the Department of Commerce (the Department) published its preliminary results of the administrative review of the antidumping duty order on honey from Argentina. *See Preliminary Results of Antidumping Duty Administrative Review and Intent Not to Revoke in Part*, 71 FR 78397 (December 29, 2006) (*Preliminary Results*). This administrative review covers three¹ firms, one of which, Seylinco, S.A. (Seylinco) was selected as a mandatory respondent. The period of review (POR) is December 1, 2004 to November 30, 2005. Based on our analysis of comments received, the margins for the final results do not differ from the

preliminary results. *See Preliminary Results.*

EFFECTIVE DATE: May 4, 2007.

FOR FURTHER INFORMATION CONTACT: Maryanne Burke or Robert James, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone; (202) 482-5604 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 29, 2006, the Department published its *Preliminary Results* of this antidumping duty administrative review of honey from Argentina for the period December 1, 2004, to November 30, 2005. In response to the Department's invitation to comment on the preliminary results, the American Honey Producers Association and the Sioux Honey Association (collectively, petitioners) and Seylinco filed their case briefs on January 29, 2007. Seylinco and petitioners submitted their rebuttal briefs on February 5, 2007. In addition, the Department met separately with representatives for Seylinco, petitioners and the Embassy of Argentina to discuss the *Preliminary Results*. *See Ex Parte Memoranda to the File*, from Maryanne Burke dated March 6, 2007 and March 19, 2007, on file in CRU in room B-099 of the main Commerce building.

Scope of the Order

The merchandise covered by the order is honey from Argentina. The products covered are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight, and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form. The merchandise is currently classifiable under subheadings 0409.00.00, 1702.90.90, and 2106.90.99 of the *Harmonized Tariff Schedule of the United States* (HTSUS). Although the HTSUS subheadings are provided for convenience and Customs purposes, the Department's written description of the merchandise under this order is dispositive.

Determination Not to Revoke in Part

As discussed in the *Preliminary Results* at 78399, Seylinco requested that the Department revoke the order in regard to Seylinco pursuant to 19 CFR 351.222 based on three consecutive zero

margins. We preliminarily determined not to revoke the order with respect to Seylinco because it did not ship in commercial quantities during each of the three years forming the basis of its request. *See id.* For these final results, the Department has relied upon Seylinco's sales activity during the 2002-2003, 2003-2004, and 2004-2005 PORs in making its decision with respect to Seylinco's revocation request. Although Seylinco had three consecutive years of sales at not less than normal value (NV), Seylinco did not sell subject merchandise in commercial quantities in each of these three years forming the basis of the request for revocation. Thus, Seylinco is not eligible for consideration for revocation pursuant to 19 CFR 351.222(d)(1). Accordingly, we have determined not to revoke the antidumping duty order with respect to Seylinco. *See Comment 2 of the Issues and Decision Memorandum* from Stephen J. Claeys, Deputy Assistant Secretary for Import Administration, to David M. Spooner, Assistant Secretary for Import Administration (Issues and Decision Memorandum) accompanying this notice.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this administrative review are addressed in the Issues and Decision Memorandum. A list of issues addressed in the Decision Memorandum is appended to this notice. The Decision Memorandum is on file in the CRU and can be accessed directly on the web at <http://www.ita.doc.gov/>.

Changes Since the Preliminary Results

Based on our analysis of comments received and findings at verification, we have made the following change in the margin calculation:

- We revised the color characteristic (GRADET/U) in both the U.S. and third-country market sales listings to differentiate amongst the various colors of honey actually shipped, in accordance with our established model-matching criteria.

Final Results of Review

We determine that the following dumping margins exist for the period December 1, 2004 through November 30, 2005.

Manufacturer / Exporter	Weighted Average Margin (percentage)
Seylinco	0.00
El Mana, S.A.	0.00

¹ Mielar S.A. (Mielar) and Compania Apicola Argentina S.A. (CAA) were treated as a single entity in a prior segment of the proceeding. For the purposes of this review we continue to treat Mielar and CAA as a single entity (Mielar/CAA).
