DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Institute of Standards and Technology (NIST).

Title: Evaluation of Whole-Body Detector Response of Virtual Gamma-Ray System—Administered Radioactive Material.

Form Number(s): None.

OMB Approval Number: None.

Type of Request: Regular submission.

Burden Hours: 5.

Number of Respondents: 50.

Average Hours Per Response: 6 minutes.

Needs and Uses: This collection of information is necessary to allow Investigators to make the appropriate corrections to relate the radioactivity measured to the content in the volunteer at the time of the measurement. The project will evaluate the system's response to a variety of body geometries, and relate the system's response to handheld *in vivo* gamma-ray detectors readings that would be used during radiological emergency response. Physical parameters of the volunteers such as height, weight will be needed to assess the correlation with counting response that is expected to have uncertainties as large as 50 percent. It is an objective of the project to provide guidance to the radiological consequence management community to better be able to estimate internal contamination of exposed people, and make decisions of their care.

Affected Public: Federal government, and individual or households.

Frequency: Annually.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Jasmeet Seehra, (202) 395-3123.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration (ITA).

Title: International Buyer Program: Application and Exhibitor Data Form.

Agency Form Number: ITA-4014P and ITA-4102P.

OMB Number: 0625-0151.

Type of Request: Regular submission.

Burden Hours: 1,400.

Number of Respondents: 7,250.

Average Hours per Response: 3 hours and 10 minutes.

Needs and Uses: The International Trade Administration's International Buyer Program (IBP) encourages international buyers to attend selected domestic trade shows in high export potential industries and to facilitate contact between U.S. exhibitors and foreign visitors. The program has been successful, having substantially increased the number of foreign visitors attending these selected shows as compared to the attendance when not supported by the program. The number of shows selected to the program increased from 28 in FY 2001 to 32 in FY 2004 and will increase to 36 in 2007. Among the criteria used to select these shows are: Protection of intellectual property rights, export potential, international interest, scope of show, stature of show, exhibitor interest, overseas marketing, logistics, and cooperation of show organizers. Form ITA-4014P, Exhibitor Data, is used to determine which U.S. firms are interested in meeting with international business visitors and the overseas business interest of the exhibitors. The exhibitor data form is completed by U.S. exhibitors participating in an IBP domestic trade show and is used to list the firm and its U.S.-made products in an Export Interest Directory, which is distributed worldwide for use by Foreign Commercial Officers in recruiting delegations of international buyers to attend the show. The Form ITA-4102P, Application, is used by a potential show organizer to provide (1) his/her experience, (2) ability to meet the special conditions of the IBP, and (3) information about the domestic trade show such as the number of U.S. exhibitors and the percentage of net exhibit space occupied by U.S. companies vis-a-vis non-U.S. exhibitors.

Affected Public: Business or other for profit organizations, and not-for-profit institutions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain a benefit, voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.
