FEDERAL HOUSING FINANCE BOARD

[No. 2007-N-08]

**Submission for OMB Review;
Comment Request**

AGENCY: Federal Housing Finance Board.

ACTION: Notice.

SUMMARY: In accordance with the requirements of the Paperwork Reduction Act of 1995, the Federal Housing Finance Board (Finance Board) has submitted the information collection entitled "Members of the Banks" to the Office of Management and Budget (OMB) for review and approval of a 3 year extension of the OMB control number, 3069-0004, which is due to expire on May 31, 2007.

DATES: Interested persons may submit comments on or before June 8, 2007.

ADDRESSES: Submit comments to the Office of Information and Regulatory Affairs of the Office of Management and Budget, Attention: Desk Officer for the Federal Housing Finance Board, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Jonathan F. Curtis, Senior Financial Analyst, Regulations & Research Division, Office of Supervision, by e-mail at curtisj@fhfb.gov, by telephone at 202-408-2866, or by regular mail at the Federal Housing Finance Board, 1625 Eye Street, NW., Washington, DC 20006.

SUPPLEMENTARY INFORMATION:

A. Need For and Use of the Information Collection

Section 4 of the Federal Home Loan Bank Act (Bank Act) establishes the eligibility requirements an institution must meet in order to become a member of a Federal Home Loan Bank (Bank). See 12 U.S.C. 1424. Part 925 of the Finance Board regulations—the membership rule—implements section 4 of the Bank Act. See 12 CFR part 925. The membership rule provides uniform requirements an applicant for Bank membership must meet and review criteria a Bank must apply to determine if an applicant satisfies the statutory and regulatory membership eligibility requirements.

More specifically, the membership rule implements the statutory eligibility requirements and provides guidance to an applicant on how it may satisfy such requirements. The rule authorizes a Bank to approve or deny each membership application subject to the statutory and regulatory requirements and permits an applicant to appeal to the Finance Board a Bank's decision to deny certification as a Bank member. The rule also imposes a continuing obligation on a current Bank member to provide information necessary to determine if it remains in compliance with applicable statutory and regulatory eligibility requirements.

The information collection is contained in sections 925.2 through 925.31 of the membership rule, 12 CFR 925.2-925.31, and chapter 2 of the Data Reporting Manual, which contains instructions addressing data definitions as well as requirements concerning data elements, reporting format, reporting method (e.g., electronic or paper), record retention, timeliness, reporting frequency, and certification.¹ This information collection is necessary to enable a Bank to determine if a respondent satisfies the statutory and regulatory requirements to be certified initially and maintain its status as a member eligible to obtain Bank advances. The Finance Board requires and uses the information collection to determine whether to uphold or overrule a Bank's decision to deny member certification to an applicant.

The OMB control number for the information collection is 3069-0004, which is due to expire on May 31, 2007. The likely respondents are institutions that want to be certified as or are members of a Bank.

B. Burden Estimate

The Finance Board has analyzed the cost and hour burden for the four facets of the information collection: Membership application process, minimum capital stock calculation for applicants, membership withdrawals, and transfer of membership to another Bank district. The first notice inadvertently omitted the burden estimates for the last two of these four facets of the information collection. The estimate for the total annual hour burden for all applicant/member respondents is 4,770 hours. The estimate for the total annual cost burden is \$789,285. These estimates are based on the following calculations:
