

- *Plan of Action*—provide specific detail on how the applicant will start operations. NABECs have thirty (30) days to become fully operational after an award is made. Fully operational means that all staff are hired, all signs are up, all items of furniture and equipment are in place and operational, all necessary forms are developed (e.g., client engagement letters, other standard correspondence, etc.), and the center is ready to open its doors to the public (5 points);

- *Work Requirement Execution Plan*—The applicant will be evaluated on how effectively and efficiently all staff time will be used to achieve the work requirements (5 points).

4. Proposed Budget and Supporting Budget Narrative (10 Points)

The applicant's proposal will be evaluated on the following sub-criteria:

- Reasonableness, allowability and allocability of costs. All of the proposed expenditures must be discussed and the budget line item narrative must match the proposed budget. Fringe benefits and other percentage item calculations must match the proposed budget line-item (5 points); and

- Performance Based Budget. Discuss how the budget is related to the accomplishment of the work requirements and the performance measures. Provide a budget narrative that clearly shows the connections (5 points).

Bonus for Non-Federal Cost Sharing (maximum of 5 points): Non-Federal cost sharing is not required under the NABEC program. However, applicants will be awarded bonus points to the extent that the proposed overall project budget includes non-Federal contributions, measured as a percentage of the overall project budget (i.e., Federal and non-Federal shares). Specifically, a maximum of five (5) bonus points will be awarded based on the following scale: more than 0—less than 5%—1 point; 5% or more—less than 10%—2 points; 10% or more—less than 15%—3 points; 15% or more—less than 20%—4 points; and 20% or more—5 points. The non-Federal contributions (if proposed) may consist of one or more of the following: (1) Client fees; (2) cash contributions; (3) non-cash applicant contributions; and/or (4) third party in-kind contributions, and must be adequately identified and documented in the application

Review and Selection Process

1. *Initial Screening*—Prior to the formal paneling process, each application will receive an initial screening to ensure that all required

forms, signatures and documentation are present.

2. *Panel Review*—Each application will receive an independent, objective review by a panel qualified to evaluate the applications submitted. MBDA anticipates that the review panel will be made up of at least three independent reviewers who are Federal employees who will review all applications based on the above evaluation criteria. Each reviewer will evaluate and provide a score for each proposal. In order for an application to be considered for funding, it shall need to achieve 70% of the available points for each evaluation criterion. Failure to achieve the minimum required points will deem the application as unsuccessful.

3. *Final Recommendation*—The MBDA National Director makes the final recommendation to the Department of Commerce Grants Officer regarding the funding of applications, taking into account the selection criteria as outlined in this notice and the following:

A. Evaluations and rankings of the independent review panel;

B. Funding Priorities. The National Director (or his designee) reserves the right to conduct a site visit (subject to the availability of funding) to applicant organizations receiving at least 70% of the total points available for each evaluation criterion, in order to make a better assessment of the organization's capability to achieve the funding priorities for this competition; and

C. Availability of funding.

Intergovernmental Review

Applications under this program are not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

Limitation of Liability

In no event will the Department of Commerce or MBDA be responsible for proposal preparation costs if this program is cancelled because of other Agency priorities. Publication of this announcement does not oblige the Department of Commerce or MBDA to award any specific project or to obligate any available funds.

Universal Identifier

Applicants should be aware that they will be required to provide a Dun and Bradstreet Data Universal Numbering system (DUNS) number during the application process.
